6. Rink. This spending is modest, but clearly does not meet the city requirements. I support obeying rules. I also support changing rules when they do not achieve what is needed. Privately provided rinks are cost effective, and are valuable assets. Please have staff rewrite the rules so that small private rinks can bring reimbursement for modest out of pocket materials costs.

Public engagement (optional)

I consent to being contacted to participate in potential public engagement related to this matter.
Yes
