L’honorable maire Gillingham,

Conseillère Santos

Chers conseillers,

L'Association de quartier Glenwood -Glenwood Neighbourhood Association (GNA) soutiens la proposition d'organiser une consultation publique pour protéger les arbres situés sur des terrains privés adjacent aux rues.

La canopée forestière doit être protégée non seulement des conditions naturelles, mais aussi des menaces posées par les voisins, les activités urbaines tel que le développement, et possiblement même le propriétaire.

L'Association de quartier Glenwood -Glenwood Neighbourhood Association (GNA) a constamment soutenu la protection des arbres, la plantation ainsi que la compensation par les développeurs en cas de perte d'arbres.

Dear councilors,

The Glenwood Neighbourhood Association (GNA) supports the motion to hold a public consultation to protect trees located on private land adjacent to streets.

The forest canopy must be protected not only from natural conditions, but also from threats posed by neighbors, urban activities such as development, and possibly even the owner.

The GNA has consistently supported tree protection, planting, and developer compensation for tree loss.
