Subject: Re: Hromada Folkloric Society - Community Incentive Grant Update

Hello Councillor Lazarenko and Councillor Pagtakhan,

On December 11, 2002 Council adopted approval in amount of $1,500 (funded $750 from the Mynarski Ward and $750 from the Point Douglas Ward) to defray costs associated with purchasing and installing mirrors in the dance studio.

On January 8, 2003 I met with Hromada Folkloric Society representatives and we discussed conditions of approval. At that time this group identified that they are still in the process of securing matching funding for this project.

Throughout the year I made few attempts to contact this group for update but did not receive any response. On September 16, 2005, we sent correspondence by registered mail to the group identifying options and asking for the update on their project. To date we did not receive any response. It is my understanding that the President of this group, Mr. Gorge Holowka, has passed away and Mr. Bohdan Symcznuk, Treasurer, is no longer with this organization.

Could you please advise me what would you like us to do about this funding?

Thank you.
