I have always been a strong supporter of community safety.
Because of the rampant ambiguity of the documents, I was forced to tick the OPPOSED box.
After reading all your supporting documentation, it not clear what this group's purpose is.
Since we already have a very good police service, and a fire paramedic service, and since this Committee has been created in parallel to those, it seems very redundant. Was it created to protect certain people from police, in certain situations? It is sole purpose to provide info cards for us to place in our homes?
