Signage Requirements

DIGITAL SIGN PURCHASE AND INSTALLATION

The Digital Sign located on the front boulevard at Bronx Park CC is electronically outdated and we are not readily able to post ongoing events at the club. In addition the trees from the splash pad block the sign for traffic going south down Henderson Highway. Bronx Park is planning to relocate the sign 75' south of it's current location so traffic going in both directions can read the sign.

Attached is the Invoice from Postime Signs to supply and install a double sided full colour high resolution, with electronic message center measuring 38" x 76" wide in the amount of $47,697.00. We are also attaching the invoice to move the electrical 75 feet south to a new sign location in the amount of $10,312.00. We are attaching the proposed site where the sign is to be located on the boulevard.

Postime has indicated that once the sign is ordered it will take approximately 2 – 3 months for delivery. We anticipate the digital sign will be installed in July and installation completed by September 2026. Bronx Park CC has paid a deposit of $29,004.50 for the sign and requesting 50% of the project costs of $32,484.81 through the Land Dedication Grant.
