Subject: To amend By-Law No. 6400/94 by rezoning the land shown below from an "R2" Two-Family District to an "RM-1" Multiple-Family District.

Location: 885 Dorchester Avenue

Legal Description: SP Lot 1, Plan 26687

Applicant: Ernie Walter Architect Inc – Ernie Walter
Owner: Jim & Dennis Sarlis

Recommendation: *Approved*

Site Description

The subject site is located along the south side of Dorchester Avenue, east of Stafford Street. The site is currently developed with an older 2-1/2 storey dwelling containing three dwelling units. The approximately 50 foot wide by 120 foot deep lot is zoned "R2" Two-Family District. Neighbouring properties along both sides of Dorchester Avenue are also, for the most part, zoned "R2" Two-Family District. This block of Dorchester is characterized by large, 2-storey and 2-1/2-storey homes, many of which have been converted to duplexes and 3- and 4-plexes. Properties at the Stafford / Dorchester intersection, including the condominium development to the immediate west (at the south east corner of Stafford / Dorchester) and the salon and gallery (at the north east corner), are zoned commercial.

Description of the Proposed Development

The applicant proposes to renovate and expand the existing 3-unit residential building. Floor plans indicate the new units will be master-bedroom with den/spare bedroom. Significant additions include: 3-storey addition within the existing west side yard and south (rear) yard; and front yard veranda and decks. Variance file DAV 06-109220/D concerns yard deficiencies and a use variance.

Analysis

This portion of the McMillan neighbourhood is designated "Neighbourhood" under *Plan Winnipeg*. This designation accommodates residential renovations, particularly when the renovations sustain neighbourhood densities. The proposed building additions retain single-family and duplex setbacks on a large (approximately 6000 square foot) lot and will have no appreciable impacts on neighbouring properties.

Recommendation

The Planning and Land Use Division recommends approval for the following reasons:

- The proposal is consistent with *Plan Winnipeg*; and
- The expanded 3-unit residence achieves a reasonable scale and density at its specific location in McMillan.

Recommended Conditions of Approval

I. That The Winnipeg Zoning By-law 6400/94 be amended by rezoning the subject land as shown on Schedule "A", for file DAZ 205/06, attached hereto and dated March 27, 2006, to an "RM-1" Multiple-Family District, subject to the following:

A. That the applicant enter into a zoning agreement with the City of Winnipeg pursuant to Subsection 240(1) of The City of Winnipeg Charter, to provide for the following:

1. That the total number of dwelling units shall not exceed 3;
2. That the maximum height of any buildings shall not exceed 35 feet;
3. That the Multiple-Family development be established and maintained in substantial conformity with plans submitted and identified as Exhibit ___, dated February 22, 2006.

II. That a ten (10) per cent dedication be made by a payment of a sum of money to the City in lieu of the requirement for land dedication based on the increase in the market value of the land.

III. That, in the event the application is not proceeded with expeditiously and the by-law is not enacted within twenty-four (24) months after adoption of the report by Council, the matter shall be deemed to be concluded and shall not be proceeded with unless an extension of time is applied for prior to the expiry of this twenty-four (24) month period and the extension is subsequently approved by Council.

IV. That the City Solicitor/Manager of Legal Services be requested to prepare the necessary rezoning by-law and forward same to Council for all three (3) readings.

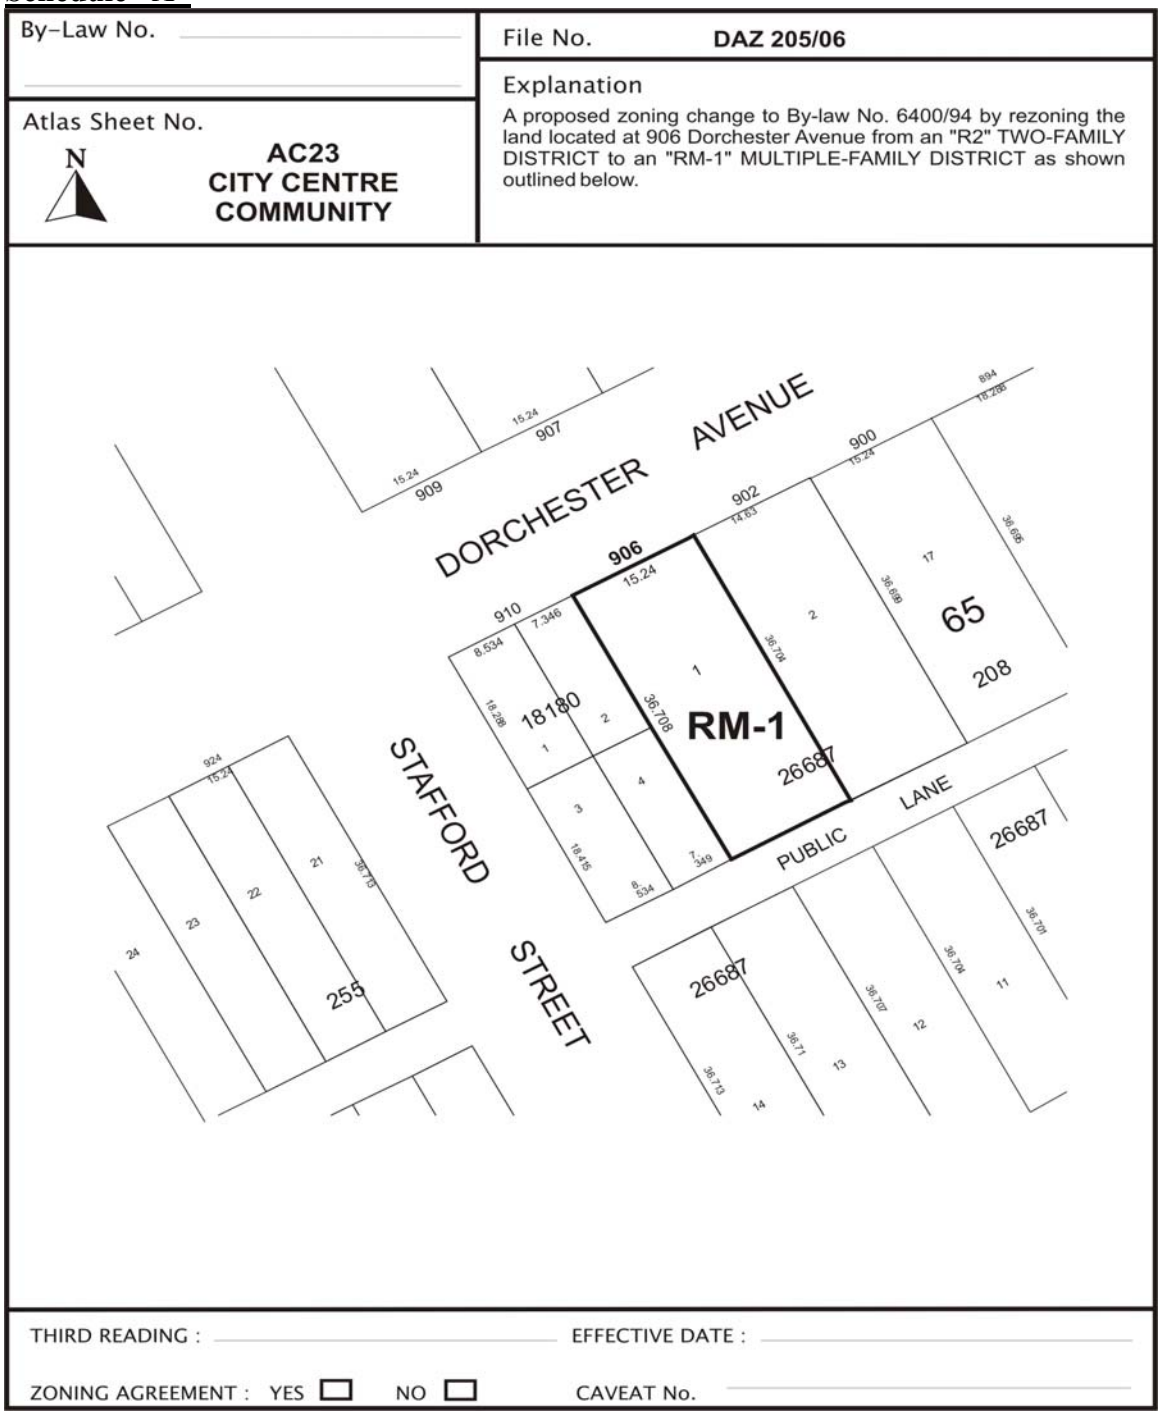

V. That the rezoning by-law shall come into effect when the Zoning Agreement has been registered by caveat against the subject land at the Winnipeg Land Titles Office, provided that the said effective date occurs within twenty-four (24) months from the date that the said rezoning by-law is adopted by Council.

VI. That the Proper Officers of the City are hereby authorized to execute said Zoning Agreement.

VII. That the City Solicitor/Manager of Legal Services be requested to do all things necessary for implementation in accordance with the terms of The City of Winnipeg Charter.
