Minute No. 464
Report - Standing Policy Committee on Property and Development - April 4, 2006

Item No. 16 Zoning Agreement Amendment - 720 St. Anne's Road
File ZAA 1/2006

COUNCIL DECISION:

Council concurred in the recommendations of the Standing Policy Committee on Property and Development and adopted the following:

1. That Zoning Agreement Caveat No. 3105858 under Files DASZ 40/85A and ZAA 10/2004 dated January 26, 2005 (By-law No. 4314/86), be amended as follows:

   A. That Clause 8 of the subject zoning agreement be amended to read "the owner is required to construct a minimum six (6) foot high concrete wall along the entire length of the west property line" instead of the current wording that reads "the owner is required to construct a six (6) foot high concrete wall along the entire length of the west property line".

   B. That Clause 9 of the subject agreement be amended to read "no business shall be operated on the land between the hours of 1:00 a.m. and 7:00 a.m. excepting drive-through operations instead of the current wording that reads "no business shall be operated on the land between the hours of 1:00 a.m. and 7:00 a.m."

2. That the City Solicitor/Manager of Legal Services be requested to prepare the necessary Amending Agreement to Zoning Agreement DASZ 40/85A and ZAA 10/2004 (By-law No 4314/05) dated January 6, 2005, as approved in aforesaid Recommendation 1.

3. That the Proper Officers of the City are hereby authorized to execute said Amending Agreement.

4. That the City Solicitor/Manager of Legal Services be requested to do all things necessary for implementation in accordance with the terms of The City of Winnipeg Charter.

SUMMARIZATION OF REPRESENTATIONS AND SUBMISSIONS
MADE AT THE PUBLIC HEARING

Veronica Hicks, ND Lea Engineers and Planners Inc., appeared in support of the application and provided an overview of the proposal.

Georgina M. Lowen appeared in opposition to the application. Ms. Lowen stated that the development has not been properly planned and that many people use the lot as a short cut, a problem that will be exasperated with the establishment of a twenty-four (24) hour drive through.

Ms. Lowen further stated that she is opposed to the a twenty-four (24) hour drive through restaurant being permitted on the site.

In rebuttal, Ms. Hicks stated that the proposed twenty-four (24) hour restaurant will be located adjacent to St. Anne's Road so it is anticipated that all traffic accessing the restaurant will ingress/egress via St. Anne's Road.

Location: 720 St. Anne's Road

Legal Description: Lots 1 & 2, Plan 43640

Applicant: ND LEA Engineers & Planners

Owner: 71512 Manitoba Inc. (Michael Nozick)

Recommendation: (Approved with Conditions)

Site Description

The subject site has approximately 960 feet of frontage along St. Anne's Road and has a depth of 560 feet. The overall site area totals 12.3 acres and is zoned C2 Commercial. To the west is a mobile home subdivision zoned A-5 ; to the north are single family homes along Compark Rd. zoned R1-3 and R1-4 Residential ; east of St. Anne's Rd. is a new personal care facility in the process of being rezoned to C2 Commercial. South of Southglen Blvd. are existing single family dwellings zoned R1-3-5.

Background

The site is currently well on its way to being fully developed with a pharmacy, a food-store, a drive –through restaurant, a bank , a gas sales outlet and various other retail businesses. As each new tenant has been identified, revised plans have been submitted to the Community Committee for approval. And on occasion, applications have been made to amend the original zoning agreement i.e. to reduce building setbacks in some instances and to increase the number of permitted uses on site. The Community Committee has agreed to those concessions but in return, the owners have agreed to limited access to streets like Compark Rd. from the proposed development and have also agreed to constructing a noise attenuation wall along the west boundary line adjoining the mobile home subdivision area. In the most recent amendment changes, the owner has requested that the hours of operation for drive-throughs on the site (the restaurant and the bank) be extended to twenty four hours. They have also asked that the noise attenuation wall not be restricted to a minimum six feet in order to allow for some flexibility in those areas closest to the loading areas of the food store for example. In those areas, the wall might have to be marginally higher in order to actually adequately provide a noise buffer.

Analysis

The Planning, Property and Development Division understands the rationale for both the proposed amendments, particularly the need to allow some latitude with respect to the boundary wall. In the case of the hours of operation extension, we do not anticipate a problem with extended hours of operation for the bank drive-through given that it is a low intensity use during the late evening to early morning hours. Neither do we foresee a problem with extending the hours for the restaurant drive –through given that its location is reasonably well removed from nearby residential housing areas. If the drive through for the restaurant had been in close proximity to any of the adjacent residential areas, we would not have endorsed expanded hours of operation. It should be noted that the site, from our perspective, is close to being developed to its maximum building coverage. Any remaining undeveloped areas, particularly in the s.e. corner of the site should be left as spill over areas for future parking.

Recommendation

The Planning and Land Use Division recommends approval for the following reasons:

Recommended Conditions of Approval

I. That the Zoning Agreement Caveat No. 3105858 under file no. DASZ 40/85A and ZAA 10/2004, dated, January 26/2005 (By-Law # 4314/86), be amended *as follows : that clause 8 of the subject zoning agreement be amended to read" the owner is required to construct a minimum six (6') foot high concrete wall along the entire length of the west property line" instead of the current wording that reads " the owner is required to construct a six (6') foot high concrete wall along the entire length of the west property line". And that clause 9 of the subject agreement be amended to read " no business shall be operated on the land between the hours of 1:00 a.m. & 7:00 a.m. excepting drive-through operations instead of the current wording that reads " no business shall be operated on the land between the hours of 1:00 a.m. & 7:00 a.m."*

II. That the City Solicitor/Manager of Legal Services be requested to prepare the necessary Amending Agreement to Zoning Agreement DASZ 40/85A and ZAA 10/04 (By-Law # 4314/05), dated, J ANUARY 6/05 as approved in aforesaid Clause I.

III. That the Proper Officers of the City are hereby authorized to execute said Amending Agreement.

IV. That the City Solicitor/Manager of Legal Services be requested to do all things necessary for implementation in accordance with the terms of The City of Winnipeg Charter.
