Location: **262 Ellen Street**

Applicant: **Ernie H.A. Walter Architect (Brian Wall)**
Owner: **Intrepid Forme Corporation**

Recommendation: **Approval with conditions**

Site Description
The subject property, which is currently zoned "R2" Two-Family Residential, is located on Ellen Street, between Logan and Alexander Avenues, in the Centennial neighbourhood of the Point Douglas Ward.

North: Commercial use zoned "C2" Commercial
South: Residences zoned "R2" Two-Family Residential
East: Residences zoned "R2" Two-Family Residential
West: Residences zoned "R2" Two-Family Residential

Background

The subject property was sold by the City of Winnipeg to Intrepid Forme Corporation in 2004. In their formal expression of interest to purchase letter, the purchaser indicated that it was their intent "to secure the 262 Ellen Street property with future proposed intentions of constructing a modest residence to house out of town staff."

Description of the Proposed Development
Intrepid Forme Corporation, which is located at the southwest corner of Logan Avenue and Ellen Street, is requesting a rezoning of the vacant parcel immediately south of their building, across the public lane, in order to establish a parking lot.

In light of the fact that this parcel is zoned "R2" Two-Family Residential, a rezoning to "C2" Commercial is required in order to use this land as a non-accessory parking lot.

Analysis
Plan Winnipeg
The subject parcel falls within a designated Neighbourhood Policy Area under Plan Winnipeg, which allows for a variety of residential, commercial, institutional, and mixed uses; thus, the proposed rezoning is in conformance with Plan Winnipeg 2020.

Neighbourhood Compatibility
Customarily, the public lane serves as the boundary between commercial and residential land uses. The lane provides both a physical and spatial separation for businesses and homeowners to coexist with the least amount of disturbance to each other. When commercial business are allowed to encroach past the lane, it reduces the amount of spatial separation that exists and eliminates the physical boundary. This reduced buffer can be problematic, in some circumstances.

In this case, it appears as if a small encroachment across the public lane can work for the following reasons:
- The encroachment is only 27 feet in width, which is quite small
- The encroachment will be used for a company parking lot, which will have limited impact on the adjacent property

- The applicant is providing a 5 foot landscape buffer, with a mix of deciduous and ornamental trees, along the south property line
- The applicant is providing a 5 foot high decorative wooden privacy fence along the south property line, which will completely screen the parking area
- The applicant has indicated that they will provide a high quality landscape feature and community amenity in the front yard setback

In light of the fact that final plans meeting all of the above criteria have not yet been submitted by the applicant, the Planning and Land Use Division recommends that this application be approved subject to final landscaping plans being submitted to and approved by the Lord Selkirk-West Kildonan Community Committee prior to the issuance of development permits.

Also, given that the subject block is almost exclusively residential in nature, conditions are being recommended which will limit the impact of commercial zoning on adjacent residential properties.

Recommendation

The Planning and Land Use Division recommends approval for the following reasons:

- The proposed use will not have a substantial adverse impact on adjacent properties
- Provided that screening fencing and extensive landscaping is installed, the development will be compatible with the area
- The proposed development in compliant with Plan Winnipeg and its policies
- Conditions are being recommended which will limit the impact of commercial zoning on adjacent residential properties

Recommended Conditions of Approval

I. That The Winnipeg Zoning By-law 6400/94 be amended by rezoning the subject land as shown on Schedule "A", for file DAZ 219/06, attached hereto and dated May 31, 2006, to an "C2" Commercial District, subject to the following:

A. That the applicant enter into a zoning agreement with the City of Winnipeg pursuant to Subsection 240(1) of The City of Winnipeg Charter, to provide for the following:

1. That final plans showing the location and details of **parking areas**, **landscaping, and fencing** shall be submitted to the Lord Selkirk-West Kildonan Community Committee for approval prior to the issuing of any development or building permits; thereafter maintained to the satisfaction of the Lord Selkirk-West Kildonan Community Committee

2. That the land be restricted to the following use:
   i. Non-accessory parking use.

II. That a ten (10) per cent dedication be made by a payment of a sum of money to the City in lieu of the requirement for land dedication based on the increase in the market value of the land.

III. That, in the event the application is not proceeded with expeditiously and the by-law is not enacted within twenty-four (24) months after adoption of the report by Council, the matter shall be deemed to be concluded and shall not be proceeded with unless an extension of time is applied for prior to the expiry of this twenty-four (24) month period and the extension is subsequently approved by Council.

IV. That the City Solicitor/Manager of Legal Services be requested to prepare the necessary rezoning by-law and forward same to Council for all three (3) readings.

V. That the rezoning by-law shall come into effect when the Zoning Agreement has been registered by caveat against the subject land at the Winnipeg Land Titles Office, provided that the said effective date occurs within twenty-four (24) months from the date that the said rezoning by-law is adopted by Council.

VI. That the Proper Officers of the City are hereby authorized to execute said Zoning Agreement.

VII. That the City Solicitor/Manager of Legal Services be requested to do all things necessary for implementation in accordance with the terms of The City of Winnipeg Charter.
