STANDING POLICY COMMITTEE ON PROPERTY AND DEVELOPMENT

QUESTION PERIOD

Minute No. 104
Councillor Benham inquired why annexation of surrounding municipalities into Winnipeg would be a good policy for the City to adopt, to which Councillor De Smedt replied that this was a very emotive subject and that it was not appropriate for him to comment on the subject at this particular point in time.

Councillor Benham questioned what steps would be taken to further the policy proposal and inquired if Councillor De Smedt would table a motion before Council advocating annexation, to which Councillor De Smedt replied no, not at the present time.
