Report

REASON FOR THE REPORT:

The Planning Property and Development Department is in receipt of a proposal involving a sale and exchange of City-owned property for land required for street right-of-way, which requires approval by the Standing Policy Committee on Property and Development.

HISTORY:

The subject City-owned property, as shown on Misc. Plan No. 12704, was acquired by the City of Winnipeg under Tax Sale Certificate No. 98/32 on March 18, 1996.

The Planning, Property and Development Department were approached by Silpit Industries Co. Ltd., the owner of the adjacent property to the east, with a proposal to acquire the subject City lands.

The Transportation Division of the Public Works Department has indicated that it will need to retain a portion of the subject City-owned property. In addition, Public Works advised that acquisition of a portion of the Silpit Industries Co. Ltd. property (see Misc. Plan No. 12704) is required for the widening of Fernbank Avenue and Main Street.

Ongoing negotiations have resulted in Silpit Industries Co. Ltd. submitting an Offer to Purchase and Exchange proposal for the subject City-owned property as shown on Misc. Plan No. 12704. Details of the Offer are as follows:

Location: South of Fernbank Avenue between Riverstone Road and Main Street

Misc. Plan No.: 12704

Size:
a) subject City-owned property – 19,659.5 sq. ft.

b) Silpit Industries Co. Ltd. property to be transferred to the City – 5,577 sq. ft.

Price: $62,047
Deposit: $ 9,307 (15% of purchase price)

Silpit Industries Co. Ltd. has agreed that it will transfer to the City on demand, free and clear of all encumbrances, approximately 518.1 square metres, as shown on Misc. Plan No. 12704, at no cost to the City, for road opening purposes. The City is to be responsible for the cost and preparation of the plan of widening.

DISCUSSION:

The price offered is consistent with an internal appraisal prepared for the subject property.

The acquisition of the lands required for the widening of Fernbank Avenue and Main Street will satisfy the requirements of the Public Works Department for future development of the area. The sale of the property, to Silpit Industries Co. Ltd., will place the property on the tax roll and allow for further development of all the property involved, which will increase the tax base.

Therefore, the Planning Property and Development Department recommend that approval be given for the Sale and Exchange of the subject City-owned property located at the south east corner of Fernbank Avenue and Riverstone Road, as shown on Misc. Plan No.12704, be approved, with Silpit Industries Co. Ltd. for the price of $62,047.00, in accordance with the terms and conditions of the attached Offer to Purchase, dated May 3, 2006.
