Subject: Special EPC meeting Jan. 4

Dear Ms. Park,

Re: Waverley West Special meeting of EPC, January 4.

I wish to go on record as supporting the position of the Provincial Councils of Women in their December 30 request for motion of adjournment to Executive Policy Committee. I agree wholeheartedly with them that the requirement for full disclosure of information to the public has not been met, neither has there been adequate consultation with the public on this important topic.

Thank you,

Anne Lindsey
