Report

REASON FOR THE REPORT:

The Planning, Property and Development Department are in receipt of an Offer to Purchase the Subject City Property adjoining 1221 Sherwin Road. Approval by the Standing Policy Committee on Property and Development is required for the proposed terms and conditions of sale, as set out in the attached Offer to Purchase.

HISTORY:

The subject City property shown shaded on Misc. Plan No. 11780 is a former lead track, no longer in use by Canadian National Railways (CNR) and the Canadian Pacific Railway (CPR). Both CNR and CPR have a 'Right of Use' interest as set out in By-law 9357, and Agreement dated July 1, 1961.

Details of the subject City property are as follows:

Location:	East side Sherwin Road, north of 1221 Sherwin Road
Legal Description:	Lot 17, Plan 7092 and Parcel A, Plan 8638
Certificate of Titles:	918772, A25823
Roll Number:	07010857000
	07010825000
Assessed Value (2006):	$27,350.00
Zoning:	"M2" - Industrial District
Size:	2026.0m² (21,808 sq.ft.)

The Planning, Property and Development Department have determined that there is no City requirement for the Subject City Property shown outlined on Misc. Plan No. 11780.

DISCUSSION:

The purchaser advises that the purchase of the subject City property will accommodate additional storage areas and future facilities for its business operations.

The Department supports the proposed sale of the subject City property for the following reasons:

1. The property will be placed on the tax roll at the closing of the sale.
2. The Purchaser will be responsible for all costs related to a Plan of Survey for consolidation of the subject City property with the Purchaser's adjacent lands.
3. The proposed purchase price of $45,000.00 is supported by an internal appraisal ($45,000.00).

4. The sale will eliminate the liability for the City associated with holding this property.

5. The proposed terms and conditions of sale, as recommended by the Department, are in accordance with the City's standard terms and conditions and include the following special conditions:

   (a) The Purchaser agrees that the sale is subject to the City obtaining a 'Release of Interest' of By-law 9357, from Canadian National Railways and Canadian Pacific Railway within 60 days following the approval of Standing Policy Committee on Property and Development, and
   (b) The purchaser agrees to accept the subject City property with the existing railway track in place.

(3) The Purchaser agrees that it is purchasing the Lands on an "as is", "where is" basis, and is purchasing the lands based entirely on its own examinations without any representation by or on behalf of the City or any agent of the City. The Purchaser acknowledges that it has relied entirely upon its own inspection and investigation with respect to quantity, quality and value of the Lands;
