REASON FOR THE REPORT:

The Planning, Property and Development Department is in receipt of a proposal from Marwest to exchange the lands shown as "Part CN Oak Point Line optioned by Marwest" for the "Subject City Property", as shown on Misc. Plan No. 12223/4. Approval by the Standing Policy Committee on Property and Development for the proposed sale/exchange is required.

HISTORY:

On June 9, 1972, the City of Winnipeg, Lakeview Developments Limited and Metropolitan Homes Limited entered into a development agreement for the development of the lands located generally east of Kenaston Boulevard between Grant and Taylor Avenues. The park commonly known as Joe Malone Park was created under this agreement.

March 6, 1984, the former Committee on Finance concurred in the recommendation of the Parks and Recreation Department to acquire the additional lands (Lot 1, Plan 17404) between Mathers Bay and Boulton Bay to complete the lineal extension of the Joe Malone Park (this property was already landscaped and being maintained by the City for Parks and Recreation purposes).

The subject City property as shown on Misc. Plan No. 12223/4 is part of the above lands.

The Planning, Property and Development Department is in receipt of a proposal from Marwest to exchange the lands shown as "Part CN Oak Point Line optioned by Marwest" on Misc. Plan No. 12223/4 for the "Subject City Property". Marwest is proposing to construct a "for profit", four storey, 95 unit seniors assisted living apartment building on the subject City property

Details of the Properties are as Follows:
City Lands to be transferred to Marwest

Location:	Boulton Bay East of Kenaston Boulevard (shown as Subject City Property on Misc. Plan No. 12223/4)
Legal Description:	Part lots 1 Plan17404 and Part lot 3 Plan 27601
Size:	6,912 s. m. (74,405 s. f.) 1.708 acres
Zoning:	Currently: PR-1 Parks and Recreation District Proposed: RM-4 Multiple Family District under DASZ 15/04

Marwest controlled Lands to be transferred to the City

Location:	Between Mathers Bay and Taylor Avenue West of Centennial Street (Shown as Part CN Oak Point Line Optioned by Marwest on Misc. Plan No. 12223/4)
Legal Description:	Block 21 Plan 1538
Size:	10,093.7 s.m. (108,648 s.f.) 2.494 acres
Zoning:	PR-1 Parks and Recreation District R1-4 Single Family Residential District

Ongoing negotiations with Marwest have resulted in Marwest providing the attached Offer to Purchase document. Marwest will receive title to the property shown as "Subject City Property" on Misc. Plan No. 12223/4 and the City will receive the title to the property shown as "Part CN Oak Point Line Optioned by Marwest" on Misc. Plan No. 12223/4. The proposed sale/exchange of lands requires Marwest to pay $40,000 to compensate for the loss of the playground equipment and baseball facility. Marwest will also be responsible for providing a Letter of Credit in the amount of $35,000 to cover the costs of relocating and reconstructing the parking lot. In addition, Marwest will be providing additional monies in the amount of $75,000 to cover the difference in the value of the exchanged lands. Marwest are to have a right of First Refusal to purchase the 20 foot strip of land located between their two properties for the sum of one dollar in the event that the City declares it to be surplus to the City's requirements.

The Marwest Rezoning and Subdivision application (DASZ 15/2004) has been approved by Council. Enactment of the by-law has yet to be processed. Council has declared the subject City property to be surplus to the City's requirements.

DISCUSSION:

The adjoining neighbourhood have had concerns about development of the CN lands and are supportive of an exchange of lands that will result in the CN lands being transferred to the City to be used for park purposes.

The Rezoning and Subdivision application (DASZ 15/2004) required to accommodate the Marwest project has been approved by Council. The recommendation was based on the fact that the exchange of lands will provide a greater amount of green space for the area and provide certainty for the former CN lands which were a concern to the neighbourhood.

The Planning Property and Development Department recommends that approval be given for the sale/exchange of lands whereby Marwest receive title to the property shown as “Subject City Property” on Misc. Plan No. 12223/4 and the City receives title to the property shown as “Part CN Oak Point Line Optioned by Marwest” on Misc. Plan No. 12223/4 and $75,000.00 in accordance with the terms and conditions of the attached Offer to Purchase subject to minor changes as agreed to by the City Solicitor/Manager of Legal Services.

The values as established are in accord with an appraisal completed on the subject properties and the terms and conditions are acceptable for replacement of the existing facilities.

The Sale /Exchange will result in the following:

a) significant tax revenue will be created on the site

b) the net proceeds from the sale are to be credited to the respective Community Committee Land Dedication Reserve Fund.

c) $40,000 will be available in the Community Committee Land Dedication Reserve Fund to compensate for the loss of the playground and baseball facilities.

d) The issue involving the development of this section of the CNR lands will be resolved.
