To: Councilor Wyatt

To make our community centre more secure we have look into install new security system and improve lighting at the centre

We received very competitive quotes from the following companies for the security system

1/ CERVO ELECTRONICS SYSTEMS

2/ DAKOTA LOCK & SAFE LTD...

3/ AAA ALARMS

We also received quotes for a Reader Board on the out side wall (6'x 8')
and quote to improve lighting around the building

The total cost to accomplish all of this $ 25,000.00.
At this time our community centre can only afford $ 7,000.00.

This improvement will go a long way to stop the graffiti and also stop the destruction of other structures of the community centre

Sincerely,
Neil Ajudhia
President PCWCC.
