RE: PROPOSED AMENDMENT TO WHYTE RIDGE DEVELOPMENT AGREEMENT AG 2/89 - QUALICO DEVELOPMENTS

Under the terms of Development Agreement AG 2/89, the Developer is required to construct a 2m in height fence on the west side of Columbia Drive from approximately Apple Hill Road to McGillivray Boulevard.

The section between Apple Hill Road and Scurfield Boulevard (north leg) will have the new lots on Bessboro Street North backing on the subject fence. The land on the west side of Columbia Drive between Scurfield Boulevard and McGillivray Boulevard is owned by the Roman Catholic Archiepiscopal Corporation of Winnipeg and is expected to be developed as a church facility which use would not require a fence along Columbia Drive as initially contemplated. In fact it would be desirable that access to the new church facility be taken off Columbia Drive rather than exclusively off McGillivray Boulevard. This proposal has been discussed with the Developer and the Developer is in agreement that the fence north of Scurfield Boulevard be deleted.

It is therefore recommended that Development Agreement AG 2/89 be amended by deleting the requirement that the Developer construct a fence on the west side of Columbia Drive between Scurfield Boulevard (north leg) and McGillivray Boulevard.
