Report

REASON FOR THE REPORT:

City Council approval is required for all facility naming opportunities.

HISTORY:

In 1997, the Winnipeg Library Foundation was created as the fundraising arm of the Winnipeg Public Library Board to raise funds in support of capital projects for the Winnipeg Public Library system.

In July 2001, Council approved the Millennium Library Project and Term Sheet that outlined the terms and conditions of the partnership between the City of Winnipeg and the Winnipeg Library Foundation. This document identified the naming opportunity procedures for the project.

Since 2001, the Winnipeg Library Foundation has been actively soliciting funds from private sector individuals and/or companies for the Millennium Library Project.

On September 28, 2005, Council approved a number of naming opportunities (See Appendix 2) prior to the opening of the Millennium Library.

In November 2005, the Millennium Library reopened to the public.

DISCUSSION:

In July 2001, City Council approved the Millennium Library Project and Term Sheet that outlined the terms and conditions between the City of Winnipeg and the Winnipeg Library Foundation.

The Term Sheet indicated that the naming rights for the library building itself, or designated areas within the facility, would be considered in consultation with the appropriate city staff, and would be determined by the Millennium Library Project Steering Committee and subject to the approval of City Council.

Since 2001, the Winnipeg Library Foundation has been actively fundraising from private sector individuals and/or companies for the Millennium Library Project. Some naming opportunities for specific rooms, areas, counters and other items have already been identified by the Winnipeg Library Foundation and approved by City Council in September 2005 (Appendix 2).

The Community Services Department, Library Services Division is requesting that the attached list of new naming opportunities (Appendix 1) be approved as a way of providing long-term recognition to those donors who have made a significant contribution to the Millennium Library Project. Approval of this report would result in private sector individuals and/or companies having their name attached to rooms, areas, counters or other items in the new Millennium Library, as well as on a donor wall within the library.

The Winnipeg Library Foundation will purchase appropriate signage to recognize the names of individuals and/or companies.

Council approval is needed to proceed with the development of appropriate signage for the rooms, areas, counters and other items in the Millennium Library.

FINANCIAL IMPACT STATEMENT:

The Winnipeg Library Foundation will purchase appropriate signage to recognize the names of individuals and/or companies.
