Report - Standing Policy Committee on Protection and Community Services - November 25, 2002

10. Request to Waive Additional Criteria for Community Incentive Grant - Wolseley School Parent Council
File PR-2.6 (32) (Vol. 10)

STANDING COMMITTEE RECOMMENDATION:

On November 25, 2002, the Standing Policy Committee on Protection and Community Services recommended:

1. That the following eligibility criteria for the Community Incentive Grant Program, be waived in this instance, namely:

   A. The applicant has requested 100% of the total project cost and therefore would not be contributing fifty percent (50%) of the capital costs from their own sources.

2. That the Proper Officers of the City be authorized to do all things necessary to implement the foregoing, including the execution of any documents related thereto.

COUNCIL DECISION:

On December 12, 2001, Council adopted Clause 1 of the Report of the Standing Policy Committee on Protection and Community Services dated November 26, 2001, which approved a Community Incentive Grant for Wolseley School in the amount of $10,000.00, as a charge against the 2002 allocation, to assist with the cost of the Wolseley School Playground Structure - Phase Two. In adopting this clause, Council waived the following criteria:

A. The organization is to be a non-profit community recreation and sport organization or a non-profit organization offering recreational services, and

B. The applicant has requested eighty percent (80%) of the total project cost and therefore would not be contributing fifty percent (50%) of the capital costs from their own sources.

On June 19, 2002, Council adopted Clause 9 of the Report of the Standing Policy Committee on Protection and Community Services dated May 30, 2002, which amended the name of the organization to read Wolseley School Parent Council, and also waived the following criteria in this instance, namely:

A. The applicant has requested eighty-six percent (86%) of the total project cost and therefore would not be contributing fifty percent (50 %) of the capital costs from its own sources.
