Report

REASON FOR THE REPORT:

As the subject property is utilized for parks purposes, the proposed lease will require the approval of at least two-thirds of the members of Council pursuant to Section 205(2) of the City of Winnipeg Charter.

HISTORY:

Thorarinson Investments Inc. has leased the subject City-owned property since 1956.

At its meeting held on September 28, 1982, the Committee on Finance and Administration approved the proposed terms and conditions for a new lease agreement.

At its meeting held on July 30, 1986, the Committee on Finance and Administration approved a Review of Rental Report.

At its meeting held on November 15, 1989, the Committee on Finance and Administration approved a Review of Rental Report.

By letter dated August 16, 2006, the Planning, Property and Development Department proposed new lease terms and conditions.

DISCUSSION:

The subject City-owned riverbank property is situated east of 271 Wellington Crescent and adjacent to the Hugo Street riverbank park as referenced on the attached Misc. Plan 12972. The property is improved with a graveled parking lot for use by Tenants located at 271 Wellington Crescent.

Thorarinson Investments Inc. has been leasing the subject property since 1956 and wishes to continue leasing same for parking purposes.

The Planning, Property and Development Department initiated a review of the annual continuing lease with Thorarinson Investments Inc. and determined the following:

- the current rental rate of $2,300.00 per annum, was not reflective of market rent;
- the City was obligated to pay the annual realty taxes of $2,032.00 from the current rental proceeds;
- the Tenant is only using 19 parking stalls versus 22 stalls; and,
- the existing lease terms and conditions were not reflective of current leasing terminology.

To address these issues, the Planning, Property and Development Department formulated proposed terms and conditions for a new lease agreement as follows:

Owner:	City
Tenant:	Thorarinson Investments Inc.
Leased Lands:	East of 271 Wellington Crescent
Use:	Vehicle parking (19) stalls
Term:	Annual continuing commencing September 1, 2006
Area:	See attached Misc. Plan 12972
Rent:	$5,700 per annum plus realty taxes ($25.00/stall/month)
Realty Taxes:	$2,032.00 (Tenant) – subject to revision to show reduced leased area from +/- 5500 sq.ft. to +/-5274 sq.ft.
Cancellation:	Upon (30) days written notice by either party
Insurance:	Property and Liability insurance requirements have been updated by Risk Management Branch staff as deemed appropriate to cover the scope, terms and conditions of the agreement.
Tenant Resp:	To pay all operating costs, to maintain the Leased Lands and keep in a neat and tidy condition and free of ruts and holes, to the satisfaction of the Director of Pubic Works, no removal or alteration of any trees or shrubs, no assignment without written consent, no sub-letting without approval of landlord, no leasehold improvements without approval of the Landlord and to provide MTS–Allstream with access to maintain installations within the leased lands.

Thorarinson Investments Inc. has reviewed, and is in agreement with the proposed terms and conditions for a lease agreement.

In addition, the Planning and Land Use Division has requested that the City's standard access clause be added to ensure that the park and dock maintenance equipment can use the parking lot access lane as a staging area during spring and fall cleanup.
