Report

REASON FOR THE REPORT:

All street and lane closings require the consideration of the Community Committee.

HISTORY:

The Real Estate Division of the Planning, Property and Development Department has made an application (DASSF 575/2004) to subdivide the City property at the North West corner of Shore Street and Lee Boulevard. The portion of the intersection shown as "Proposed Closing" on the attached Misc. Plan No. 12404/1 will be incorporated into Lots 3 and 4 of the subdivision.

DISCUSSION:

Administrative Approval

The proposal has been considered by all affected City departments and public utilities. There are no administrative objections to the closing.

Easements

Manitoba Hydro will require an easement for its facility in the area.

Transfer of Jurisdiction Over Public Rights-of-Way

The street corner must be legally closed before it may be incorporated into the subdivision. Title to all public rights of way in Manitoba is vested in the name of the Province. The registration in the Winnipeg Land Titles Office of a closing by-law removes the public right of way status from the land and vests the ownership of the property in the City's name. The City is not entitled to dispose of the land until this has been done.
