SUBJECT: **SPECIAL REPORT** – PROPOSED 2007 WASTEWATER SEWER LOCAL IMPROVEMENT IN KING EDWARD STREET FROM CHAPMAN AVENUE TO GARTON AVENUE

DATE: December 5, 2006

Subsequent to the September 25, 2006 Local Improvement Advertisement in the *Winnipeg Free Press* pertaining to the aforementioned Local Improvement indicating the City's intent to perform this proposed work, a completed official *"Objection"* form was received from the City Clerk on October 6, 2006.

Upon certification by the Co-ordinator of Tax Accounting & Administration in accordance with Section 125 of The *City of Winnipeg Charter*, the signatures obtained from the benefiting property owners on the ***west*** side of King Edward Street represented ***48.93%*** of the total assessable frontage, as indicated below:

Total Assessable Frontage (*Includes "Developer-owned Land"*)	1,546.8 feet
Objectors Represent	756.9 feet
Percentage Signed	***48.93%***

Under Section 411 of The City of Winnipeg Charter, the objectors have not attained the required signing percentage of 60%. However, we are providing additional information which has a direct impact on the ***percentage signed*** for your consideration.

This project is to be installed and paid for by the Developer, Global Homes. The Project was advertised as a Local Improvement pursuant to Servicing Agreement – AG 24/03 (Phase 2) dated September 29, 2004 in which the City is obligated to pay the Developer in cash for benefiting privately owned lands on the ***west*** side of King Edward Street, when construction has been completed. ***The Developer's frontage on the east side of King Edward Street is 789.9 feet or 51.07% of the total assessable frontage.***

Therefore, by ***excluding*** the Developer's frontage feet from the calculation, ***100.00%*** of the privately owned properties signed against the project, as indicated below:

Total Assessable Frontage (*Including "Developer-owned Land"*)	1,546.8 feet
Less: Developer-owned Frontage	(789.9) feet
Assessable Frontage (*Excluding "Developer-owned Land"*)	756.9 feet

Percentage Signed	***100.00%***

As a result, Global Homes property on the ***east*** side of King Edward Street does significantly affect the outcome of the aforementioned official *"Objection"* form *(i.e. unsuccessful vs. successful) as the remaining property owners have insufficient frontage to defeat the proposed local improvement project.*
