Re: Avion Services application to City of Winnipeg

Dear Ms. Wilson,

I am in receipt of your letter dated November 27, 2006 regarding an application by Avion Services for shuttle services within the City of Winnipeg.

The Taxicab Board was sent a copy of the proposed agreement on November 21, 2006 and it was brought to the attention of the Board on November 22, 2006. The Taxicab Board felt that the proposed contract between the City of Winnipeg Transit and Avion Services Corp was outside the jurisdiction of the Taxicab Board.

The letter of reply sent to the City of Winnipeg Standing Policy Committee on Infrastructure Renewal and Public Works indicated that the Taxicab Board has no regulatory authority over the proposed contract and therefore no objection to the proposed service.

The Taxicab Board is a regulatory agency and does not speak on behalf of the interests of individual taxicab operators or the taxicab industry. Any concerns of the taxicab industry to this application should be addressed to the City of Winnipeg and the Transit department.

Your request for a meeting with the Taxicab Board can be accommodated at the next Board meeting scheduled for December 13, 2006 at 11:00 am

If you have any questions about this letter, please call me at 945-6713.

Yours truly,

Jerry Kozubal
Secretary of the Taxicab Board
