Proposing Closing of parts of Bishop Grandin Boulevard and Sterling Avenue, east of Dakota Street - Riel Community File DAC 14/97

2. The Standing Policy Committee on Property and Development has been advised that the subject street closing, as outlined on Misc. Plan No. 9923/9, has been initiated by the Real Estate Division of the Property and Development Services Department. The Transportation Planning and Traffic Management Division of the Public Works Department has confirmed that the lands are surplus to the City's needs. The streets, once closed, will be offered for sale.

The Surveys Branch of the Property and Development Services Department has recommended that the responsibility for the acquisition and cost of the required survey services, together with the costs associated with the registration of documents necessary to give legal effect to the closing of the street be identified within the terms and conditions of its proposed sale.

Manitoba Hydro and MTS NetCom have advised that they will require an easement for the maintenance of their plants in the area.

A Public Hearing was held before the Riel Community Committee on February 17, 1998. No one appeared in support of the application, and no one registered in opposition thereto, and the Land Document Officer, Property and Development Services Department was in attendance for the City. The Community Committee recommended approval of the proposed street closing as outlined below.

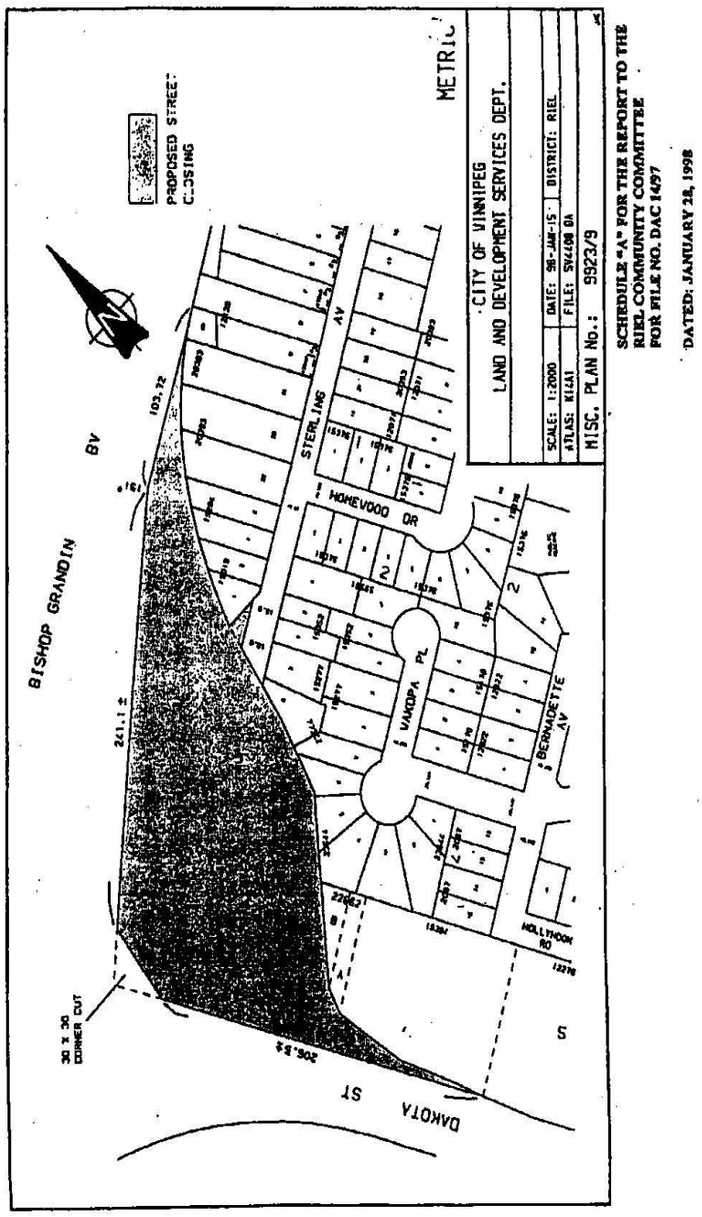

The Standing Policy Committee on Property and Development concurred in the recommendations of the Riel Community Committee, and recommends:

I. That the City Solicitor/Manager of Legal Services be instructed to prepare the necessary By-law for submission to Council to effect the closing, in accordance with Misc. Plan No. 9923/9, as outlined on Schedule "A".

II. That the Proper Officers of the City be authorized to do all things necessary to effect the intent of the foregoing.
