STANDING POLICY COMMITTEE ON

INFRASTRUCTURE RENEWAL AND PUBLIC WORKS

QUESTION PERIOD

Minute No. 192
Councillor Vandal questioned why the 2007 sewer utility rates had been laid over.

Councillor Clement advised the lay over was due to the Standing Policy Committee amending Recommendation No. 2 of Item No. 2 of the Report of the Standing Policy Committee on Infrastructure Renewal and Public Works by adding thereto that the rate increase be "subject to the City of Winnipeg entering into a cost-sharing agreement with the Province of Manitoba and the Government of Canada with each level of government contributing an equal share". He noted that there are discussions taking place between the Mayor and the Premier on the issue and hopefully a third level of government on funding.
