Subject: To rezone the land shown outlined below from an "RM-4" Multiple-Family District to a "C1.5" Commercial District.

Location: 911 Corydon Avenue
Legal Description: Lot 25 Plan 26687 RL 34/35 Parish of St. Boniface

Applicant: Duboff Edwards Haight and Schachter LLP (Murdoch MacKay)
Owner: United Investments Limited

Recommendation: *Approved with conditions*

Site Description

The subject site is located along the north side of Corydon Avenue, between Stafford and Wentworth streets. The site is developed with an older one-storey commercial building. Accessory parking spaces are located to the rear (north) of the building, with vehicular access via the public lane. The site is zoned "RM-4" Multiple-Family District.

Adjacent properties include a multiple-family property (to the west, zoned "RM-4"), single-family and multiple-family properties (to the north across the public lane, zoned "R1-3" Single-Family District and "R2" Two-Family District); a vacant commercial property (to the east, zoned "C1.5" Commercial District); and retail, personal service, and multiple-family uses (to the south across Corydon, zoned "C1.5" and "RM-4").

Subject site: aerial photo flown 2005.

Description of the Proposed Development

The applicant proposes to rezone the subject site in order to accommodate the range of commercial uses typical of this portion of Corydon Avenue. The existing building is to be retained, with no imminent expansion or site redevelopment. Under DAV 06-163941/D, the applicant seeks relief from the required side yard setback from the existing building to the west property line (abutting the multiple-family property).

Analysis

This portion of Corydon Avenue is designated "Neighbourhood" under *Plan Winnipeg*. This designation accommodates a variety of uses, including the mix of retail, personal services, restaurant, and residential characteristic of Corydon Village. The subject site was developed and has been used for commercial purposes for many years. Due to its current zoning ("RM-4" Multiple-Family District), the existing building can only be used as a laundromat ("Laundry, self-service")—without extensive renovations to convert to residential purposes or rezoning to a commercial zoning district.

It should be noted that the property to the immediate east was rezoned from "RM-4" to "C1.5" under DAZ 231/04 (July 13, 2004 public hearing before City Centre Community Committee).

Recommendation

The division recommends the subject site be rezoned to "C1.5" Commercial District for a number of related reasons, principally:

- existing commercial building and history of commercial use of this property;
- proposed commercial zoning district accommodates appropriate range of commercial uses and can accommodate residential uses (subject to conditional use application); and
- the proposed commercial zoning district, subject to recommended conditions, will have no appreciable impacts on neighbouring properties.

Conditions of approval are recommended in order to encourage continuing positive contributions to Corydon Village.

Recommended Conditions of Approval

I That The Winnipeg Zoning By-Law No. 6400/94 be amended by rezoning the subject land as shown on Schedule "A" for File No. DAZ 246/06, attached hereto and dated January 22, 2007, to a "C1.5" Commercial District, subject to the following:

A. That the applicant enter into a Zoning Agreement with the City of Winnipeg pursuant to Subsection 240(1) of The City of Winnipeg Charter, to provide for the following:

1. That the following uses shall not be permitted:
   (a) "Automobile, including motorcycle: Rental, Sales, including accessory Repair, Service, Installation of Supplies/Parts";
   (b) "Cocktail lounge, *exceeding one-half of its Restaurant floor area*";
   (c) "Exterminator";
   (d) "Taxidermist"; and
   (e) "Tire: sales and service".
2. That mobile and temporary signs shall not be permitted.
3. That for the development of any free-standing sign plans shall be submitted showing the location and design of the proposed sign to the Director of Planning, Property, & Development for review and approval prior to the issuance of any building or development permit and thereafter maintained to the satisfaction of the director.

II. That a ten (10) per cent dedication be made by a payment of a sum of money to the City in lieu of the requirement for land dedication based on the increase in the market value of the land.

III. That, in the event the application is not proceeded with expeditiously and the by-law is not enacted within twenty-four (24) months after adoption of the report by Council, the matter shall be deemed to be concluded and shall not be proceeded with unless an extension of time is applied for prior to the expiry of this twenty-four (24) month period and the extension is subsequently approved by Council.

IV. That the City Solicitor/Manager of Legal Services be requested to prepare the necessary rezoning by-law and forward same to Council for all three (3) readings.

V. That the rezoning by-law shall come into effect when the Zoning Agreement has been registered by caveat against the subject land at the Winnipeg Land Titles Office, provided that the said effective date occurs within twenty-four (24) months from the date that the said rezoning by-law is adopted by Council.

VI. That the Proper Officers of the City are hereby authorized to execute said Zoning Agreement.

VII. That the City Solicitor/Manager of Legal Services be requested to do all things necessary for implementation in accordance with the terms of The City of Winnipeg Charter.
