Report

REASON FOR THE REPORT:

The Boys & Girls Clubs of Winnipeg Inc. is requesting that the funding agreement with the City of Winnipeg be renewed for a five-year term. Council approval is required for the approval of formal funding agreements.

HISTORY:

The City of Winnipeg and the Boys & Girls Clubs of Winnipeg Inc. have entered into funding agreements in varying lengths from 1984 to 2001, to assist in the provision of community development and recreation programs to serve the needs of “at risk” children and youth in the City of Winnipeg.

The initial funding agreement in 1984 provided for an annual grant in the amount of $51,500 and increased over the years to $59,509 in 2001.

In 2003, Council approved the increase to the Boys & Girls Clubs of Winnipeg Inc. annual funding in the amount of $75,509.

In 2005, the Departmental budget for the grant was increased to $78,148 to allow for the City’s payment of that portion of the municipal property taxes (not including Water, Sewer and Street Renewal levies) representing the recreation amenities (wading pool and recreation building) located at the Nijimahkwa School site, 415 Stella Avenue (Aberdeen Club).

DISCUSSION:

Funding Agreement (see attached Appendix A)

The City of Winnipeg has a history (from 1984 – present) of providing funding to the Boys & Girls Clubs of Winnipeg Inc. to assist in the provision of community development and recreation programs to serve the needs of “at risk” children and youth in the City of Winnipeg.

The City of Winnipeg is one of the core funders for the programs run by the Boys & Girls Clubs of Winnipeg Inc. They also receive funding from the United Way, the Province of Manitoba, the Winnipeg Foundation, the Government of Canada, as well as other fundraising initiatives. This support is critical in maintaining the existing services. The funding support from these agencies has allowed the Boys & Girls Clubs of Winnipeg Inc. to deliver community development and recreation programs for over 3,000 “at risk” children and youth in 2006.

The Boys and Girls Clubs of Winnipeg Inc. has been one of Winnipeg's leading youth services agencies since 1977, serving children and youth ages 6-18 and their families. Their mission is *"to provide a safe, supportive place where children and youth can experience new opportunities, overcome barriers, build positive relationships and develop confidence and skill for life".* The agency operates 6 full time clubs and 3 satellite sites in various communities throughout Winnipeg.

The Boys & Girls Clubs of Winnipeg Inc.'s recreational, leisure and life skill services provide a positive alternative to negative situations that young people are liable to encounter when they are involved on the streets. These services are recognized as effective in the community and are supported by local businesses and agencies through fundraising initiatives that are organized by the Boys & Girls Clubs of Winnipeg Inc.

A formal funding agreement has not been in place since 2001, as the formalization of the property tax status related to the two properties utilized by the Boys & Girls Club, Nijimahkwa School site, 415 Stella Avenue, and Freight House, #4 - 200 Isabel Street, was not established.

The City of Winnipeg continued to fund the Boys & Girls Club of Winnipeg Inc between 2002 - 2006 and both parties honored the conditions of the previous funding agreement.

The proposed funding agreement for an annual grant to Boys & Girls Clubs of Winnipeg Inc. helps support the operation of their 6 clubs and 3 satellite sites: Freight House Club, Sister MacNamara Club, Aberdeen Club, Gilbert Park Club, Ryerson Club, Victor Mager Club, Winnipeg Harvest Club, Polson Club, and Dalhousie Club. The Boys & Girls Clubs of Winnipeg Inc. continue to meet the criteria for City of Winnipeg funding adopted by Council in 1994. A five-year funding agreement is recommended to help provide stability to the Boys & Girls Clubs of Winnipeg Inc.

The attached Appendix A provides more detailed information. Note: there have been no significant changes to the terms and conditions from the previous agreement.

<u>Boy's & Girl's Clubs of Winnipeg Inc - City of Winnipeg Facility Requirements</u>

The two City of Winnipeg buildings (known as Aberdeen Club, Nijimahkwa School site, 415 Stella and Freight House, #4 – 200 Isabel Street) currently being utilized by the Boy's and Girl's Clubs of Winnipeg Inc. are vital for the operation of their programs.

<u>Aberdeen Club, Nijimahkwa School site, 415 Stella Ave.</u>

On July 27, 2005, Council approved a report dated June 27, 2005 from the Community Services Department in respect of a lease with Winnipeg School Division for the property known as Nijimahkwa School, at 415 Stella, for community recreation purposes.

The City of Winnipeg is responsible for a portion of the taxes at this site (415 Stella Avenue) for the wading pool and recreation building, and Administration is working cooperatively to ensure the City of Winnipeg's contractual obligations are maintained. The financial resources reside within the Community Services Department's operating budget.

In 2005, Council adopted a budget of $78,148 for the Boys & Girls Clubs of Winnipeg Inc. which includes an increase of $2,639 which will cover the municipal tax portion, (2006 amount is $2,568), of the school division's property located at 415 Stella Ave. (Aberdeen Club).

Freight House, #4 – 200 Isabel Street

The building located at Freight House, #4-200 Isabel Street is owned and operated by the City of Winnipeg. The Property Assessment Department has confirmed that the property is exempt under clause 22(1) (a) (i) of the Municipal Assessment Act and that the proposed occupier is a non-profit organization that uses or operates the property as a community hall, community recreation area, community centre or community rink.

Subsection 11(2.1) of the Municipal Property Act exempts municipal property if:

a) *The occupier is a non-profit organization that uses or operates the property, or portion of it, as a community hall, community recreation area, community centre or community rink; and*
b) *The municipality, by by-law, expressly names the non-profit organization and provides that this subsection applies to the property, or that portion of it.* (the subsection applies if the property is owned by the municipality that levies the taxation)

In order for the Boys & Girls Clubs of Winnipeg Inc. to operate at #4-200 Isabel Street, the Boys & Girls Clubs of Winnipeg Inc. must be exempted from school and municipal taxes. Accordingly, it is recommended that By-law 89/2005 be amended by adding Boys & Girls Club of Winnipeg Inc. at #4-200 Isabel Street to the table in paragraph 2.

Additional Comments: Funding for the grant to the Boys & Girls Clubs of Winnipeg Inc. is within the existing Community Services budget. The budgeted amount of $78,148 includes a $75,509 grant for operational costs and 2,639 to cover the municipal taxes for the Aberdeen Club's portion of the school division's property. It should be noted that $2,568 is the amount of municipal taxes for the 2006 tax year. This amount could be subject to yearly increases or decreases depending on the actual increase or decrease in the property taxes charged by the City of Winnipeg. The Water, Sewer and Street Renewal levies on the City of Winnipeg tax bill are not included in this annual amount.
