Subject: To amend By-Law No. 6400/94 by rezoning the land shown below from an "C1" Commercial District to a "C2" Commercial District.

Location: 1599 St. Mary's Road

Legal Description: Lot 74/76 Plan 23797 52/57 St.V

Applicant: Phoebe Bosc

Owner: Angela M O Sarakula

Recommendation: *Approval*

5092

Site Description:

The site is currently zoned “C1” Commercial , upon which is located a relatively large commercial building housing Select Formal Wear. There is provision for at least 18 parking stalls on the south side of the structure.

Neighbourhood Context:

Most of the frontage properties along this stretch of St. Mary’s Road are zoned for and utilized by commercial development. Most of the commercial development along the west side of St. Mary’s Road are in the form of narrow lineal malls while on the east side there are a large number of independent free standing businesses. The commercial frontages are flanked on both sides by well established residential areas.

Surrounding Land Use and Zoning:

North: To the north is Elle Spa, a relatively new "C2" zoned business.

South: To the south is another fairly intensive business, The Hair Club, zoned C2" Commercial.

East: To the east are single family residential dwellings zoned " R1-Residential.

West: To the west is an array of " C2" and " C1" Commercial business including Banville and Jones Wine and the Cambrian Credit Union.

Description of the Proposed Development:

The existing structure is approximately 10' by 20' in area and lies adjacent to the south boundary of the property in the s.w. corner of the lot, 16'-20' east of the west property line.

Analysis:

The application is generally consistant with the zoning by-law. This segment of St. Mary's has been designated as AD2 under policy guidelines for signage which permits advertising signs as a conditional use. The subject sign does not face the residential neighbourhood; it is well screened from the rear residential areas and well set back from the main thoroughfare. It should be noted that there has never been a complaint about the sign since it was erected in 1995. It is our view, therefore, that the rezoning should be approved to legitimize the subject signage for the foreseeable future.

Recommendation:

The Planning and Land Use Division recommend approval for the following reasons:

- Most of the adjoining land is already zoned "C2" Commercial and the change in zoning will allow for a greater range of uses on the subject site.

Recommended Conditions of Approval:

I. That The Winnipeg Zoning By-law 6400/94 be amended by rezoning the subject land as shown on Schedule "A", for file DAZ 245/06, attached hereto and dated February 6/, 2007, to a "C2" Commercial District.

II. That a ten (10) per cent dedication be made by a payment of a sum of money to the City in lieu of the requirement for land dedication based on the increase in the market value of the land.

III. That, in the event the application is not proceeded with expeditiously and the by-law is not enacted within twenty-four (24) months after adoption of the report by Council, the matter shall be deemed to be concluded and shall not be proceeded with unless an extension of time is applied for prior to the expiry of this twenty-four (24) month period and the extension is subsequently approved by Council.

IV. That the City Solicitor/Manager of Legal Services be requested to prepare the necessary rezoning by-law and forward same to Council for all three (3) readings.

V. That the City Solicitor/Manager of Legal Services be requested to do all things necessary for implementation in accordance with the terms of The City of Winnipeg Charter.
