EXECUTIVE POLICY COMMITTEE

QUESTION PERIOD

Minute No. 305
Councillor Vandal referenced the Federal Government's announced budget, with unprecedented levels of spending, and asked if His Worship could share any forthcoming news on potential funding for the Canadian Museum of Human Rights; to which His Worship Mayor Katz advised that there was nothing in the budget specifically that alluded to the Museum of Human Rights.

Councillor Vandal asked if His Worship could share any Federal budget funding announcements relative to issues that affect the City of Winnipeg; to which His Worship replied that he did not know of anything specific.

Councillor Vandal questioned if there was anything specific to infrastructure and City street construction and renewal to which His Worship advised that the Federal budget contained another five year commitment for the gas tax, which assists the City in addressing its infrastructure deficit.
