Subject: The purpose of the subject application is to rezone and subdivide the said lands from an "A" Agricultural District to " "R1-3" and " R1-4" Single Family Districts and a " PR-1" Parks and Recreational District to allow for the construction of approximately 110 single family dwellings.

Location: S.W. corner of Bishop Grandin Blvd. and Waverley Street

Legal Description: Part of OTM Lot 13 Parish of St. Vital, Duplicate Title No. 1427872

Applicant: ND LEA Engineers & Planners

Owner: The Manitoba Housing and Renewal Corporation

Recommendation: Approved with Conditions

SITE DESCRIPTION:

The land being rezoned and subdivided (22 acres in total) is part of a Neighbourhood Area Structure Plan that totals approximately 360 acres in the northeast corner of Waverley West. The area is bounded on the north by the Manitoba Hydro right-of-way and private and Bishop Grandin Boulevard. To the east is Waverley Street and an established residential neighbourhood area (Waverley Heights) generally zoned for R1-5.5 and R1-5 single family housing. To the west is the future extension of Kenaston Boulevard, and to the immediate south is a recently approved MHRC subdivision under File No. DASZ 1/06. access to the subject properties outlined in the current application will be via the street system already approved under the 1st phase of development for DASZ 1/06.

DEVELOPMENT DESCRIPTION:

The application is a straight forward consolidation of the two properties and a rezoning to two different types of single family housing category (R1-3 & R1-4) which are identical to the zoning categories already approved for adjoining lands already approved under DASZ1/06. The requested R1-3 zoning will allow for an additional 40 single family dwelling units, while the R1-4 areas will accommodate an additional 70 dwelling units. Proposed new streets and proposed PR-1 areas connect directly to already approved street linkages and PR sites identifies under DASZ 1/06. Land dedication has already been addressed under the previous aforementioned plan.

BACKGROUND:

In 2005 Council adopted an amendment to Plan Winnipeg to designate the entire Waverley West area (west of Waverley and south of Bishop Grandin) as a Neighbourhood Policy Area .

On July 26, 2006 Council adopted the Waverley West Area Structure Plan and on September 27, 2006 Council gave first reading to By-law 210/2006 to adopt the Waverley West Northeast Neighbourhood Area Structure Plan as a Secondary Plan and directed that the Riel Community Committee conduct a public hearing respecting the proposed by-law and plan.

Simultaneous with the processing of the afore noted Structure Plan, a rezoning and subdivision application was initiated by ND LEA Engineers & Planners (on behalf of MHRC) , specifically for the Waverley West Northeast Neighbourhood. That application, DASZ 1/06 was made on January 12 /2006 and approved in the fall of 2006. Subsequently MHRC has acquired the adjoining Van Wallegham lands to the immediate north which as part of the subject application are to be consolidated with the existing lands already owned by MHRC to the south.

PLAN WINNIPEG:

The subject proposal for residential development is in complete compliance with the Policies of Plan Winnipeg.

ADMINISTRATIVE COMMENTS:

The Planning, Property and Development Department fully supports the proposed consolidation and rezoning for single family development. The acquisition and consolidation completes what is the northern most component of the 1st phase of MHRC 'S development and also allows for the eventual extension of Kenaston Blvd. South of Bishop Grandin Blvd. The proposed lot sizes are entirely compatible with neighbouring properties and in full compliance with Plan Winnipeg Policy. It should be further noted that there is an accompanying variance to allow reduced front yards fro 20' to 15'. The intent of that is , in part , to allow some flexibility regarding innovative housing design (front porches etc.)

RECOMMENDATION:

I. That the plan of subdivision proposed under File No. DASZ 1/07 be approved for preparation as a plan of subdivision by a Manitoba Land Surveyor in accordance with Schedule "A" for File No. DASZ 1/07, attached hereto and dated February 6/07, for registration in the Winnipeg Land Titles Office subject to the following :

   A. That the Developer enter into an Addendum to the Waverley West Development Agreement AG 1/06 to include all conditions outlined in the Report of The Administrative Coordinating Group dated January 30/2007.

II. That the Director of Planning, Property and Development be authorized to certify any documents in connection therewith.

III. That Zoning By-Law No. 6400/94 be amended by rezoning the subject land as shown on Schedule "A" for File No. DASZ 1/07, attached hereto and dated February 6/07, to a "R1-4"Residential District, a "R1-3" Residential District and a " PR-1" Parks and Recreation District .

IV. That, in the event this application is not proceeded with expeditiously and the by-law is not enacted within twenty-four (24) months after adoption of this report by Council, the matter shall be deemed to be concluded and shall not be proceeded with unless an extension of time is applied for prior to the expiry of this twenty four (24) month period and the extension is subsequently approved by Council.

V. That the City Solicitor/ Manager of Legal Services be requested to prepare the necessary by-law in accordance with the above.

VI. That the subdivision section of the by-law shall come into force and effect upon execution by the City of Winnipeg of the Development Agreement.

VII. That the zoning section of the by-law shall come into force and effect when the Plan of Subdivision has been registered in the Winnipeg Land Titles Office .

VIII. The Plan of Subdivision shall be approved and signed by the Director of Planning, Property and Development within two (2) years of the date of passage of the aforementioned by-law.

IX. In the event that the necessary City of Winnipeg Mylar approval signatures have not been secured within 24 months after adoption of the by-law, the matter shall be deemed to be concluded and shall not be proceeded with unless Council extends that time.
