Planning, Property and Development Department Report

To the Lord Selkirk-West Kildonan Community Committee

Date: **March 1, 2007**

Related Files: **DAV 06-165010/D**
Subject: **Application to rezone the subject property from an "MP-2" Industrial District to an "M1-B" Industrial District for the purpose of establishing a funeral home use**

Location: **Northeast corner of Inskter Boulevard and Keewatin Street**

Applicant: **CB Richard Ellis Ltd. (Robert Scaletta)**
Owner: **Norwin Properties Ltd.**

Recommendation: **Approval**

Site Description
The subject property, which is currently zoned "MP-2" Industrial, is located at the northeast corner of Inkster Boulevard and Keewatin Street, in the Inskter Industrial Park neighbourhood of the Point Douglas ward.

North: Industrial uses zoned "MP-2" Industrial
South: Industrial uses zoned "MP-2" Industrial
East: Industrial uses zoned "MP-2" Industrial
West: Keewatin Street, then uses zoned "C2" Commercial

Description of the Proposed Development
The applicant is requesting a rezoning of the subject property in order to accommodate a funeral home.

A funeral home is not permitted in the "MP-2" Industrial District. In light of this, a rezoning is required.

Analysis

Plan Winnipeg Compliance
Inkster Industrial Park is a carefully planned area characterized by a high standard of strictly controlled industrial uses. The park was established by the City of Winnipeg with the objective of stimulating industrial development, which was reflected in the initial selling price of the industrial park lands. There have been ongoing attempts to maintain the high level of development in the park

With that said, the Division has recommended a limited introduction of non-industrial uses into the Industrial Park in the past, on Inkster Boulevard, when those uses meet one of the two following objectives identified in Plan Winnipeg:

Plan Winnipeg - Policy 3B-06
Allowing the possible introduction of commercial uses into industrial areas **to act as a buffer between the industrial uses and adjacent uses** or **to service the needs of the local industrial population.**

In this case, the subject property is on the western edge on the park and is bounded by residential and commercial land uses to the immediate west, across Keewatin Street. In this way, the proposed use will act as a buffer for lands to the west from the industrial uses permitted in the "MP-2" District.

In light of this, the Planning and Land Use Division feels that the proposed rezoning meets the policy goals of Plan Winnipeg 2020.

New Zoning By-Law
If the draft Zoning By-Law is enacted in its current form, the subject property would be rezoned "M2" Industrial, where funeral homes are a permitted use. In this way, the proposed rezoning is in step with zoning changes that may be taking place in the area.

Other factors
It should also be noted that the subject building has been vacant for some time and may not be suitable for some industrial users because of tight turning radii on the site.

Recommendation

The Planning and Land Use Division recommends approval for the following reasons:

- The proposed rezoning complies with Plan Winnipeg Policy
- Limited non-industrial uses have been permitted in the past in the Inkster Industrial Park, on Inkster Boulevard
- The proposed use is compatible with the area
- The proposed use will not have an adverse impact on adjacent properties
- "M1-B" zoning will protect the higher design standard that exists in the industrial park
- The building has been vacant for some time

Recommended Conditions of Approval

I. That The Winnipeg Zoning By-law 6400/94 be amended by rezoning the subject land as shown on Schedule "A", for file DAZ 201/2007, attached hereto and dated March 1, 2007, to an "M1-B" Industrial District.

II. That a ten (10) per cent dedication be made by a payment of a sum of money to the City in lieu of the requirement for land dedication based on the increase in the market value of the land.

III. That, in the event the application is not proceeded with expeditiously and the by-law is not enacted within twelve (12) months after adoption of the report by Council, the matter shall be deemed to be concluded and shall not be proceeded with unless an extension of time is applied for prior to the expiry of this twelve (12) month period and the extension is subsequently approved by Council.

IV. That the City Solicitor/Manager of Legal Services be requested to prepare the necessary rezoning by-law and forward same to Council for all three (3) readings.

V. That the Proper Officers of the City are hereby authorized to execute said Zoning Agreement.

VI. That the City Solicitor/Manager of Legal Services be requested to do all things necessary for implementation in accordance with the terms of The City of Winnipeg Charter.
