REASON FOR THE REPORT:

The Planning, Property and Development Department are in receipt of an Offer to Purchase the City-owned property identified as "Subject City Property" on Misc. Plan No. 12979/1. Authority to approve the proposed terms and conditions of sale as set out in the attached Offer to Purchase rests with the Standing Policy Committee on Property and Development. Council approval to declare the City property as surplus is also required.

HISTORY:

The Department has determined that there is no City requirement for the subject property.

Details of the property are as follows:

Location:	Taylor Avenue, south side, west of Campbell Street
Legal Description:	Lot B, Plan 43,496
Certificate of Title:	2116473
Roll Number:	12-097559200
Assessment:	$55,300.00
Size:	0.636 acres
Zoning:	"MP-S" - Industrial District

DISCUSSION:

The Manitoba Hydro Electric Board intends to consolidate the subject City property with its adjoining property to the west in order to facilitate the planned expansion of its Hydro Substation located at 1552 Taylor Avenue.

On December 6, 2006, Council adopted a policy allowing the Department to act on unsolicited offers for City-owned properties in cases where a utility company, or government agency or body is seeking to acquire the property.

The Planning, Property and Development Department recommends that the proposed sale of the City-owned property (Lot B, Plan 43,496) shown as "Subject City Property" on Misc. Plan No. 12979/1 to The Manitoba Hydro Electric Board be approved at a price of $138,530.00, for the following reasons:

a) The Ward Councillor is supportive of the sale.

b) The sale is consistent with Council policy allowing the Department to act on unsolicited offers in cases where a utility company, or government agency or body is seeking to acquire the property, at market value.

c) The property would be placed on the tax roll at the time of closing of the sale.

d) The purchaser would be responsible for all costs related to survey plans.

e) The proposed sale price is supported by an internal appraisal report ($125,000.00).

f) The proposed terms and conditions of sale recommended by the Department are in accordance with the City's standard terms and conditions and include special items required by the Department.

Revenues from 2008 onward represent municipal realty taxes for the full year based on the same assumptions. Proceeds of disposition will be credited to the Land Operating Reserve while realty taxes will be credited to the General Revenue Fund.
