Report

REASON FOR THE REPORT:

The Planning, Property and Development Department is in receipt of an Offer to Purchase the lands identified as "Subject City Property" on Misc. Plan No. 11780/5. Council approval is required to declare the City property surplus to the City's requirements. Approval by the Standing Policy Committee on Property and Development is required for the proposed terms and conditions of sale.

HISTORY:

The subject City property shown hatched on Misc. Plan No. 11780/5 is a former lead track, no longer in use by Canadian National Railways (CNR) and the Canadian Pacific Railway (CPR). Both CNR and CPR have a 'Right of Use' interest as set out in By-law 9357, and Agreement dated July 1, 1961.

Details of the subject City property are as follows:

Location:	West side of King Edward Street, north of 1550/1552 King Edward Street
Legal Description:	Part Lot 15, Plan 7092
Certificate of Title:	918772
Roll Number:	Part 07010844000
Assessed Value:	$19,900.00
Zoning:	"M2" - Industrial District
Size:	1100.8.0m² (11,849.3 sq. ft.)

The Planning, Property and Development Department have determined that there is no City requirement for the Subject City Property shown as cross hatched on Misc. Plan No. 11780/5.

DISCUSSION:

The purchaser advises that the purchase of the subject City property will accommodate additional storage areas required for its business operations.

Both the CNR and CPR have verbally indicated willingness to release its respective 'Right of Use' interest as set out in By-law 9357, and Agreement dated July 1, 1961.

The Department supports the proposed sale of the subject City property for the following reasons:

1. The property will be placed on the tax roll at the closing of the sale.

2. The Purchaser will be responsible for all costs related to a Plan of Survey for consolidation of the subject City property with the Purchaser's adjoining lands.
3. The proposed purchase price of $30,000.00 is supported by an internal appraisal.
4. The Ward Councillor has no objections to the sale.
5. The sale will eliminate the liability for the City associated with holding this property.
6. The proposed terms and conditions of sale, as recommended by the Department, are in accordance with the City's standard terms and conditions and include the following special conditions:

    (a) The Purchaser agrees that the sale is subject to the City obtaining a 'Release of Interest' of By-law 9357, from Canadian National Railways and Canadian Pacific Railway within 120 days following the approval of Standing Policy Committee on Property and Development, and
    (b) The purchaser agrees to accept the subject City property with the existing railway track in place.

The Purchaser agrees to pay the balance of the purchase price, interest and adjustments on or before the date of closing.

(2) If the Purchaser fails to pay the balance of the purchase monies, interest and adjustments on or before the date of closing as in sub-clause (1) above provided, the City may, at its option, cancel the sale and retain the deposit as liquidated damages.

2. (1) The date of closing, possession and adjustments shall be sixty (60) days following the date that Clause #21 herein has been satisfied.

(3) The Purchaser shall pay interest in lawful money of Canada on all monies remaining outstanding and payable to the City as of the date of adjustments, which interest shall be calculated at the rate per annum equivalent to the prime lending rate in force by the City's Banker at the date of adjustments plus one (1%) percent, computed from the date of adjustments to and including the date all such monies and interest as aforesaid have been fully paid to the City.

The Goods and Services Tax is to be paid, or the registration number provided, to the City on or before the date of closing or the date the balance of monies is paid to the City, whichever is the earlier.

(2) If the Purchaser fails to pay the Goods and Services Tax or fails to provide its registration number as prescribed in sub-clause (1) of this Clause, the Purchaser agrees that all of the Purchaser's rights and interests in respect of the Lands shall, at the City's sole discretion, be fully ended without notice or any formality and all monies paid to the City by the Purchaser shall be retained by the City free from every claim.

4. The Purchaser will obtain possession of the Lands at the Purchaser's own expense.

5. The Purchaser will accept Title to the Lands subject to all exceptions, reservations and encumbrances expressed or implied in the City's Title.

6. The sale of the Lands to the Purchaser shall be subject to the provisions of the By-laws of the City of Winnipeg and all amendments thereto. Furthermore, the Purchaser acknowledges and understands that its proposed use and development of the Lands may require applications for re-zoning, variances or conditional uses, and amendments to Plan Winnipeg, which applications and resulting land dedication charges (if any) are to be at the sole cost and responsibility of the Purchaser.

7. The Purchaser agrees that the City may register and maintain a caveat against the Lands to ensure the performance of the covenants on the part of the Purchaser herein set forth, and the Purchaser agrees to grant and does hereby grant to the City an interest in the Lands according to the tenor of this Offer.

8. Upon approval of the sale by the City, the Purchaser agrees to make application to the City Assessor (in form set out in Exhibit "A" attached) to have the Purchaser's name added to the Assessment Roll of the City as the Real Owner in respect of the Lands.

9. The Purchaser agrees that in the event the Purchaser, at its sole cost, conducts or causes to be conducted an Environmental Site Assessment and/or soil testing of the Lands, it shall:

take remedial action to bring the contamination levels to within the Provincial Environmental Standards;

OR

cancel the sale and return all monies paid in respect of the proposed sale by the Purchaser to that date, PROVIDED that the Applicant shall have first satisfied all conditions of this Clause 9.
