Dear Brenda,

Further to our conversation on Wednesday June 13, 2007, QSAC is interested in applying for the $12,000.00 offered by the City of Winnipeg. I have enclosed a copy of the Quotation for the playground equipment intended for use of Queenston School and surrounding community. It has been over 10 years since we have updated the play structure. We believe these updates will enhance the play experiences and provide additional gross motor challenges for all the children. Please let me know you require further information.

Once again, I apologize for the delay. Thank you again for supporting our project.

Yours truly,

Racquel Giesbrecht
