Community Incentive Grant Application - Melrose Park Community Centre
File PR-2.6(33) (Vol. 10)

2. On April 18, 2000, the East Kildonan - Transcona Community Committee approved a Community Incentive Grant for the Melrose Park Community Centre in the amount of $21,921.89, to assist with the cost of the replacement of the rink lights.

On November 13, 2001, the East Kildonan - Transcona Community Committee, considered an additional communication from the Melrose Park Community Centre requesting the waiver of a criteria for their Community Incentive Grant application. The Community Committee recommended that the criteria be waived in order for the project to exceed a maximum of fifty percent (50%) of the total project cost.

When this application was first considered on April 18, 2000, it met the eligibility criteria contained in the Community Incentive Grant Program. However, since the Melrose Park Community Centre is requesting the waiver of a criteria, it now requires Council approval.

On November 26, 2001, the Standing Policy Committee on Protection and Community Services considered the recommendation of the East Kildonan - Transcona Community Committee to waive the criteria.

The Standing Policy Committee on Protection and Community Services concurred in the recommendation of the East Kildonan - Transcona Community Committee, and recommends:

I. That the Community Incentive Grant for the Melrose Park Community Centre project exceed a maximum of fifty percent (50%) of the total project cost.

II. That the Proper Officers of the City be authorized to do all things necessary to implement the foregoing.
