On-site signage was placed on the property and a full information package was made available on the Department website. Offers to Purchase were to be received until 4:30 p.m. on Friday, April 20, 2007.

The Planning, Property and Development Department received 10 Offers for the subject property. Details of these Offers are identified on Schedule "A", attached.

Purchaser:	215 Holdings Ltd. c\o Hopewell Development Corporation

The Offer to Purchase is in accordance with the City's standard Offer to Purchase document. The Purchaser is required to initiate and file a completed rezoning and subdivision application within 60 days following the date of Committee's approval of the sale, to rezone and subdivide the lands to permit the Purchaser's intended development

of the site. The Offer is subject to the Purchaser receiving Council approval for the subdivision and rezoning of the lands no later than 240 days from the date of Committee's approval of the sale. The date of closing, possession and adjustment is to be 300 days from the date of Committee's approval of the sale or sooner by mutual consent.

The Purchaser has indicated that it intends a mixed use development of the site (i.e., Commercial/Retail).

The Planning, Property and Development Department is recommending that the sale of the subject property be approved to 215 Holdings Ltd. for the price of $1,756,339.20 in accordance with the terms and conditions of the attached Offer to Purchase, dated April 20, 2007.

If the sale is approved as aforesaid, such date of approval is hereinafter called the "Date of Approval". The Purchaser agrees to pay the balance of the purchase price, interest and adjustments on or before the Date of Closing, Possession and Adjustments.

(2) The Purchaser agrees to pay as an adjustment an amount equal to the total of such taxes, rates and charges which would have been levied or charged against the Lands as though the Lands had been entered on the assessment rolls of the City as privately owned and subject to taxation, which adjustment shall be calculated from the date of adjustments to and including the last day of the current taxation year.

(3) The Purchaser shall pay interest in lawful money of Canada on all monies remaining outstanding and payable to the City as of the date of adjustments, which interest shall be calculated at the rate per annum equivalent to the prime lending rate in force by the City's Banker at the date of adjustments plus one (1%) percent, computed from the date of adjustments to and including the date all such monies and interest as aforesaid have been fully paid to the City.

7. The Purchaser agrees that the City may register and maintain a caveat against the Lands to ensure the performance of the covenants on the part of the Purchaser herein set forth, and the Purchaser agrees to grant and does hereby grant to the City an interest in the Lands according to the tenor of this Offer.
