From the City Solicitor/Manager of Legal Services,

Advising that Neighbourhood Multiple Family/Mixed-Use Building Grant Program By-law No. 122/2007 and the Downtown Multiple Family/Mixed-Use Building Grant Program By-law No. 123/2007 were enacted by Council on May 16, 2007.

Further advising that in the course of implementing the by-laws, a small drafting error in the by-laws has been detected. The report approved by Council adopts the recommendation that: "The funding for the grant shall be derived from the incremental municipal component of real property taxes imposed by the City of Winnipeg on both the residential and commercial component of properties during the ten (10) years immediately following the issuance of the occupancy permit." However, the definition of "real property taxes" in each of the by-laws provides that it includes only the residential component of real property taxes. As a result, the by-law fails to fully reflect Council's intent. By-law No. 152/2007 corrects the inadvertent error in both by-laws.

Submitting draft by-law to amend the Downtown Multiple Family/Mixed-Use Building Grant Program By-law No. 123/2007 and the Neighbourhood Multiple Family/Mixed-Use Building Grant Program By-law No. 122/2007, which by-law may receive all three readings.
