RE: EXTENSION OF TIME - PROPOSED SUBDIVISION ON LAND LOCATED AT 1845 MATHERS AVENUE - FILE NO. DAZ 210/05

RECOMMENDATION:

That your Community Committee recommend to the Standing Policy Committee on Property and Development that it recommend to Council that the time to provide for the enactment of this necessary rezoning by-law under File No. DAZ 210/05 be extended to June 1, 2009.

REASON:

Council approval is required for all extensions of time.

HISTORY:

On July 27, 2005, Council adopted Item No. 9 of the report of the Standing Policy Committee on Property and Development dated July 5, 2005 which clause recommended approval of the subject rezoning to an "RM-L" MULTIPLE-FAMILY DISTRICT as shown on Schedule "A" attached to allow for the construction of a multi-religious use building.

Recommendation 4 contained in said report stipulates:

> "That in the event the application is not proceeded with expeditiously and the by-law is not enacted within twenty-four (24) months after adoption of the report by Council the matter shall be deemed to be concluded and shall not be proceeded with unless an extension of time is applied for prior to the expiry of this twenty-four (24) month period and the extension is subsequently approved by Council."

The By-law has not been enacted and the twenty-four (24) month time limit will expire on July 27, 2007.

DISCUSSION:

The applicant, Lanny Silver, 437 Assiniboine Avenue, Winnipeg, Manitoba, R3C 0Y5 is requesting a two year extension of time in order to complete the necessary rezoning requirements. The applicant has indicated that the project has been delayed due to economic circumstances, and as a result they will be phasing the construction into two phases. The applicant is also in negotitations with the City of Winnipeg, Planning Department, as to the exact location of the proposed bicycle path. Therefore the preparation of the final plan of subdivision canot be produced until this requirement has been established. A meeting has been set and this requirement should be satisfied shortly. The applicant has also indicated that his clients are still undertaking fundraising activities in order to achieve their goal.

The Administration has reviewed the request for the extension of time and is of the opinion that approval of the subject extension of time would be acceptable and circumstances leading to the original approval remain unchanged.
