Report

REASON FOR THE REPORT:

The Planning, Property and Development Department has determined that there is no civic need for the subject City-owned property shown outlined on Misc. Plan No. 7546/4. The Department is recommending that Council declare the subject City-owned property surplus to the City's requirements.

HISTORY:

A portion of the subject City-owned property (Part Lot A, Plan 1374) shown hatched on Misc. Plan No. 7546/4, was acquired by the City in 1973 for future transportation purposes. The balance of the subject City-owned property (Parcel E, Plan 27780) was acquired by the City prior to 1957.

Details of the subject City-owned property are as follows:

Location:	North side of Wilkes Avenue, East of Kenaston Boulevard (shown outlined on Misc. Plan No. 7546/4)
Legal Description:	Part Parcel A, Plan 1374 and Parcel E, Plan 27780
Roll Numbers:	12073174300 and 12071726500
Zoning:	"M2" - Industrial District
Size:	14,625 m^2 (3.614 ac)

The subject City-owned property shown outlined on Misc. Plan No. 7546/4 has been circulated to all City Departments and no civic need has been identified.

A small aspen forest is located on the subject City-owned property. The City's Naturalist has no objections to the sale of the subject property from an ecological perspective as the City has a large volume of this type of forest already preserved in adjacent areas.

DISCUSSION:

It is the intention of the Planning, Property and Development Department to market the subject City-owned property shown outlined on Misc. Plan No. 7546/4, subject to Council declaring the property surplus to the City's needs.

Financial Impact Statement Date: July 24, 2007

Project Name:

Declaration of Surplus Property

COMMENTS:

The recommendation in this report is that a certain property be declared surplus to the City's requirements and made available for sale to the public. There are no direct financial implications associated with this recommendation.
