Report

REASON FOR THE REPORT:

The Planning, Property and Development Department has concluded its negotiations for a revised exchange of lands located at Shore Street and Bison Drive. Council approval is required for the proposed exchange.

HISTORY:

On April 13, 2005, Mr. Myles Kraut applied for a subdivision and rezoning of land located on the east side of Shore Street, north of Lee Boulevard (DASZ 18/2005). The subject land is located on the north boundary of the Fairfield Park Local Improvement District. Mr. Kraut intended on developing a 12-unit student-housing complex.

One of the conditions of DASZ 18/05 was that access to the site be via Shore Street (i.e. access to Bison Drive was to be terminated). On September 28, 2005, Council concurred in the recommendation of the Standing Policy Committee on Property and Development to close Shore Street and to the subdivision and rezoning, DASZ 18/2005.

On August 22, 2005, Mr. Kraut contacted the Planning, Property and Development Department requesting an exchange of land in order to fulfill the requirements of DASZ 18/2005. The Department concluded an exchange with Mr. Kraut as shown on the attached Misc. Plan No. 12551/1. Council, at its meeting held on December 14, 2005 approved the proposed exchange of lands between the City and Mr. Kraut for $1.00.

On February 27, 2006, Mr. Kraut advised the Department that he would be applying for a revised subdivision and rezoning at this location. He wanted to add on more units for his proposed housing complex than he originally planned. Phase I of his revised project calls for the construction of a seven storey (54 suite) facility, the main floor of which will be dedicated to 36 interior parking stalls. A second structure may be built, at a later date and will constitute Phase II of the project. On May 26, 2006, the Department provided Mr. Kraut authorization to include the City's land shown shaded on Misc. Plan 12893/1 in his revised application for subdivision and rezoning at this location.

On January 9, 2007, the Standing Policy Committee on Property and Development concurred in the recommendation of the Riel Community Committee and recommended to Council in part as follows:

1. That the plan of subdivision proposed under File DASZ 29/2006 be approved for preparation as a plan of subdivision by a Manitoba Land Surveyor in accordance with Schedule "A" for File DASZ 29/2006 dated September 13, 2006, for registration in the Winnipeg Land Titles Office, subject to the inclusion of an eight (8) foot wide Public Walk along the west side of the proposed development, and the following:

A. That the Developer be required to enter into a Servicing Agreement with the City containing all the conditions outlined in the report of the Administrative Coordinating Group dated August 30, 2006, with the following amendment:

13. The Developer shall, at no expense to the City, construct an asphalt concrete pedestrian walk in the Public Walk along the west side of the proposed development as determined by and to the satisfaction of the Director of Public Works.

2. That the Director of Planning, Property and Development be authorized to certify any documents in connection therewith.

3. That the Winnipeg Zoning By-law No. 6400/94 be amended by rezoning the subject land as shown on Schedule "A" for file DASZ 29/2006 dated September 13, 2006, to an RM-7 Multiple Family District.

On January 24, 2007, Council approved the revised subdivision and rezoning DASZ 29/2006. Also, on January 24, 2007 Council approved the closing of part of Shore Street for incorporation into DASZ 29/2006 – DAC 17/2006.

DISCUSSION:

In June of 2007, the Mr. Kraut contacted the Department requesting an exchange of land in order to fulfill the requirements of DASZ 29/2006.

The Planning, Property and Development Department has concluded its negotiations with Mr. Kraut for the exchange of the lands in accordance with the terms and conditions as set out in the attached Offer to Purchase dated August 21, 2007. Briefly, the proposed exchange of lands identified on Misc. Plan No. 12551/5 provides for the following:

1. The Purchaser will acquire Lot 16, Block 6, Plan 1991 from the City (Misc. Plan No. 12551/5). The City acquired this property on December 13, 1993 by way of Tax Sale. It was declared surplus by Council on May 18, 2005.
2. The Purchaser will acquire Parcels W and X, Plan 44692 (identified as Parcel B on Misc. Plan No. 12893/1), excepting that portion required for a turnaround. The City acquired this property as a result of a street closing. It was declared surplus by Council on May 18, 2005.
3. The Purchaser will acquire the closed portion of Shore Street (Misc. Plan No. 12551/5) from the City. This is subject to Council enactment of the necessary by-law to affect the closing.
4. The City will acquire a portion of the Purchaser's property required for a turnaround and for the widening of Bison Drive as shown on Misc. Plan No. 12551/5.

In addition, a number of easement requirements have been identified in order to facilitate the proposed development. These easement requirements have been addressed in the Offer to Purchase document.

The Planning, Property and Development Department is recommending the exchange of lands with Mr. Kraut for the following reasons:

a) The sale of the subject City-owned property provides for efficient use of the adjoining property and facilitates the proposed housing complex.
b) Council has approved the Purchaser's subdivision and rezoning at this location.
c) The proposed exchange of lands and purchase price of $115,000.00 is supported by an internal appraisal report.
