SUBDIVISION AND REZONING
Land located : 140 Paquin Road
Riel Community
File No. DASZ 21/02

An application has been received from Cadestre Management Ltd. for approval of a plan of subdivision and related zoning change to Zoning By-Law No. 6400/94 by rezoning the subject lands from an " PR-1" Parks and Recreational District to a " MP-2" Industrial Park District for purposes of consolidation with an adjoining Industrial lot.

RELATED FILES:

SITE DESCRIPTION:

Site Area:

The public reserve parcel being rezoned, sold and consolidated with the applicants adjoining parcel (Namasco) is in only 7445 sq. ft. in area.

Existing Land Use and Zoning:

The land in question is currently part of a larger public reserve area which also includes a retention lake. It is undeveloped and vacant.

Surrounding Land Use and Zoning:

North: Lands to the north to and beyond DeBaets St. fall within the Industrial Park and are zoned MP-2. The lands are approximately 50% developed.
South: To the south are developed Industrial areas zoned MP-2 Industrial.
East: To the east is a large retention lake surrounded by public reserve zoned PR-1.
West: To the west are fully developed Industrial parcels zoned MP-2 Industrial.

DEVELOPMENT DESCRIPTION:

The subject public reserve parcel has been declared surplus by the City of Winnipeg. The adjoining owners , Namasco, plan to purchase the property and consolidate it with their existing operation at 140 Paquin St. The extra area would allow for an expansion of their loading area.

PLAN WINNIPEG:

The proposed rezoning fully complies with Plan Winnipeg Policy given that the subject site and surrounding are a fall within a designated Industrial Policy Area under plan Winnipeg.

ADMINISTRATIVE COMMENTS:

As previously indicated the the owners of Namasco at 140 Paquin St. have applied to purchase a 7445 sq. ft. strip of public reserve land lying immediately east of their property. The City has determined that the subject reserve parcel is surplus to the City's needs and has agreed to sell the land subject to obtaining the necessary rezoning from a PR category to a MP-2 Industrial category. The land in question is to be consolidated with Namasco's existing land allowing for a future expansion of their loading facilities. The Planning and Land Use Division fully supports the proposed rezoning and subsequent consolidation.

RECOMMENDATION:

I. That the plan of subdivision proposed under File No. DASZ 21/02 be approved for preparation as a plan of subdivision by a Manitoba Land Surveyor in accordance with Schedule " A" for File No. DASZ 21/02, attached hereto and dated November 5, for registration in the Winnipeg Land Titles Office .

II. That the Director of Planning, Property and Development be authorized to certify any documents in connection therewith.

III. That Zoning By-Law No. 6400/94 be amended by rezoning the subject land as shown on Schedule " A" for File No. DASZ 21/02, attached hereto and dated November 5/02, to an " MP-2" Industrial Park District. .

IV. That a 10 percent dedication be made by a payment of a sum of money to the City in lieu of the requirement for land dedication based on the increase in market value of the 7445 sq. ft. parcel of land being rezoned.

V. That, in the event this application is not proceeded with expeditiously and the by-law is not enacted within twenty-four (24) months after adoption of this report by Council, the matter shall be deemed to be concluded and shall not be proceeded with unless Council extends that time.

VII. That the City Solicitor be requested to prepare the necessary by-law in accordance with the above.

VIII. That the zoning section of the by-law shall come into force and effect when the Plan of Subdivision has been registered in the Winnipeg Land Titles Office .

IX. The Plan of Subdivision shall be approved and signed by the Director of Planning, Property and Development within two (2) years of the date of passage of the aforementioned by-law.
