Item No. 2 Community Incentive Grant - Discovery Children's Centre Inc.
(St. James-Brooklands Ward)
File PR-2.6(31)

STANDING COMMITTEE RECOMMENDATION:

On September 19, 2007, the Executive Policy Committee concurred in the recommendations of the Standing Policy Committee on Protection and Community Services and the Assiniboia Community Committee and submits the following to Council:

1. That the following eligibility criteria for the Community Incentive Grant Program be waived in this instance, namely:

   A. The project is to be through the development of a sport or recreation capital project that is accessible to the community.

   B. The project is to make a significant contribution to the long-term benefit of the community at large in terms of improved facilities.

2. That a Community Incentive Grant in the amount of $30,000.00, be approved to the Discovery Children's Centre Inc., to assist with the cost of the Kitchen Renovation and Upgrade project, subject to the following conditions:

   A. Confirmation of other funding sources;

   B. Approval of final plans and specifications for the project by the Director of Community Services; and

   C. The applicant entering into a formal agreement with the City of Winnipeg.

3. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

Pursuant to the Voting Requirements By-law No. 126/2003, any Community Incentive Grant that does not comply with the terms contained in the Community Incentive Grant Policy requires approval by two-thirds of the Members present at Council.

Detailed Description of Project:

1. **Objectives of the project:**

   To update a small 50 year old inadequate kitchen facility into a modern, properly outfitted kitchen and cooking space.

   This will be done by renovating an existing kitchen and storage room, into a modern L-shaped kitchen that will accommodate the size of program we have become, and allow for future program developments. The new kitchen will be designed to accommodate snack, special lunch days, as well as child and adult cooking activities. The project will also provide appropriate separation between the office and kitchen space, an increase in kitchen size, an upgrade to the electrical service to the building (presently only 200 amps of service) and the purchase of new appliances.

2. **Who will be served by this project:**

   Due to the many programs offered at Discovery Centre we have a very broad based clientele who come from all corners of the city of Winnipeg. Discovery Centre is Manitoba's largest Early Childhood program and provides services to over 270 children. We are especially unique in that we are one of only three Winnipeg centres that are open 18 hours a day (6:30 am – 12:30 midnight) 6 days per week. This program services many retail, hospitality, medical, and transport industries which greatly increase the geographic area that our children come from.

3. **Subsequent phases:**

   No additional phases are required.

4. **Operating grants:**

   No additional operating grants required.

5. **Budget:**

• Contractor Quote (see details attached)	$ 101,455.00
• Electrical upgrade for building	$ 18,143.00
• Appliances	$ 22,000.00
• Other expenses.	$ 5,845.00
	$ 147,443.00

DISCOVERY CHILDREN'S CENTRE INC.
HISTORY (1976 - PRESENT)

Roseberry Day Nursery was established in September 1976 in the Bethel Baptist Church, 205 Roseberry Street following almost 9 months of planning and preparation. By the end of the first month of operation the Day Nursery had a registration of 25 children, which quickly increased to 30 children. The original Board of Directors for the Nursery consisted of three people. Anne Penner (the first Administrative Director). Elaine Wilson and Douglas Cook. In 1983, the Day Nursery moved into larger quarters in the Annex of the old Britannia School on Hampton and, in 1985, changed its name to Discovery Children's Centre. Ron Blatz became the Administrative Director for the Centre in November 1982.

Discovery Children's Centre has steadily increased in size. The 30 full time and 10 part time spaces in 1976 became 170 spaces by 2001. During the first decade two new programs were added to the existing Pre-School program. In 1982, Discovery Children's Centre became the first centre in Manitoba to receive a staffing grant for the purpose of integrating children with a variety of handicaps or special needs. This has continued to be an important part of Discovery's vision and services to this day.

In 1984, Discovery expanded its vision again and included School-Age children as part of the centre. By 1990, Discovery had grown to its maximum allowed size of 70 spaces, (40 preschool and 30 school-age). Discovery had also by this time started a Nursery School program to accommodate another one of the community's needs.

When provincial regulations changed, Discovery Centre further expanded it's services in November 1996 by extending its hours to accommodate parents working shifts or evening retail hours. This expansion came with much help from the Winnipeg Foundation, as no government funding was available at the time. 1996 was our 20th anniversary and culminated in $65,000.00 playground development.

Further expansion in the flex program came in December 1998, when the Board decided to extend operating hours to Saturday as well. Discovery is now open 18 hours per day from Monday through Saturday.

The budget of the centre has grown with enrolment, and with the recognition of the importance of day care facilities in Manitoba. From a modest budget of $42,000.00 ($23,000.00 from government grants) in its first year of operation, the Centre now has an annual budget of $1,450,000.00 to provide childcare services in the community. Over the years the Centre has also received a number of grants from the King Edward Community Improvement Program, Community Incentive Grant (Jae Eadie Counselor), Community Places, Manitoba Community Services Council, and the Winnipeg Foundation to acquire a variety of indoor/outdoor equipment. At present, Discovery Children's Centre employs 40 full time staff and 5 part time staff.
