RE: Funding request

Dear Sir or Madam:

This will serve as a formal request for $20000 capital funding from the Cash in Lieu of Land Dedication Account.

The Tuxedo Tennis Club is in the process of a building project, and these funds will allow for the provision of sewer and water service to our new building being installed at our current location. This request has been approved and recommended by Don Armstrong of the Property and Planning Department, city of Winnipeg. Our existing facility is essentially an old hockey shack with no heat, running water, bathroom facilities, or air conditioning. The new building will have all of this with our fundraising and the help of the city of Winnipeg.

Thank you for your consideration of our request.
