Her Worship the Mayor and Councillors:

Community Incentive Grant Application
- Red River Community Centre Inc
File PR-2.6 (34) (Vol. 1)

1075 - 1. The Committee on Protection, Parks and Culture has considered an application from the Red River Community Centre for a Community Incentive Grant in the amount of $22,251.04 for the construction of a "knock-down" hockey rink at 293 Murray Avenue.

The Lord Selkirk - West Kildonan Community Centre has recommended that a Community Incentive Grant in the amount of $22,251.04 (the maximum Community Incentive Grant program contribution available) be approved for this project.

Additional annual operating costs of the additional "knock-down" hockey rink will be included in the calculations of the Universal Funding Formula, and therefore have an effect on the Parks and Recreation Department's annual operating budget. The additional costs are expected to cost up to $7,000.00.

Acting on the recommendation of the Community Committee, the Committee on Protection, Parks and Culture recommends as follows:

I. That the amount of $22,251.04 be approved for payment to the Red River Community Centre, subject to:

(a) Confirmation of all funding sources;

(b) Approval of final plans and specifications for the project by the General Manager of Parks and Recreation; and

(c) The applicant entering into a formal agreement with the City of Winnipeg.

II. That the Proper Officers of the City do all things necessary to implement the foregoing.

Adopted by consent.
