Report

REASON FOR THE REPORT:

The Planning, Property and Development Department is in receipt of an Offer to Purchase the subject City-owned property located at 481 Spence Street shown outlined on Misc. Plan No. 11608. Council approval is required to waive that portion of City Policy adopted on December 6, 2006, pertaining to principles guiding the process of sale of City-owned property. Approval by the Standing Policy Committee on Property and Development is required for the sale of the subject City-owned property

HISTORY:

The City acquired the subject property by way of Tax Sale on November 22, 2002.

Particulars of the property are as follows:

Location:	East side of Spence Street, South of Sargent Avenue
Legal Description:	Lot 10, Plan 33,109
Certificate of Title:	1912571
Roll No.:	13051790000
Assessed Value:	$10,700.00
Appraised Value:	$10,000.00
Zoning:	R2T
Size:	±331.61m² (±3,555 sq. ft.)

The costs incurred to date by the City pursuant to the acquisition of the subject property via the tax sale process are $10,357.95.

DISCUSSION:

On October 25, 2002, Mr. Travis Unger, the adjoining owner of 483, 485 and 478/480 Spence Street, made a request to the Planning, Property and Development Department to purchase the subject City property for the purpose of utilizing it for gardening purposes for the community.

The Spence Neighbourhood Association has advised that it supports the sale of the property to Mr. Unger, since it would provide gardening opportunities for the community.

The proposed disposition of the property was circulated to all City Departments. No Civic need was identified nor was any utility easements identified.

The Planning, Property and Development Department are supportive of a direct sale of the subject property to Travis and Stephanie Unger, as the sale would provide green space in the area. The Department has concluded its negotiations with Travis and Stephanie Unger.

Details of the Offer to Purchase are as follows:

Purchaser:	Travis and Stephanie Unger
Price Offered:	$10,000.00
Condition:	The Purchaser acknowledges that the sewer and/or water service of 483 Spence Street (also owned by the Ungers) may cross the property at 481 Spence Street.

The Planning, Property and Development Department recommend the sale of the subject City property shown outlined on Misc. Plan No. 11608 to Travis and Stephanie Unger for the following reasons:

a) The proposed sale price is supported by an internal appraisal as to its market value.
b) The Ward Councillor has no objections to the sale of the subject property.
c) The property would be placed on the tax roll at the closing of the sale.
d) Negotiations with the Purchaser have concluded with the final offer now having been presented.
e) The sale will eliminate the liability for the City associated with holding this parcel of vacant land.

OFFER TO PURCHASE

VACANT LAND – FORMER 481 SPENCE STREET

The Undersigned (hereinafter called "the Purchaser") hereby offers to purchase from The City of Winnipeg (the "City") the following lands:

Lot 10, Plan 33109 WLTO in RL 78 Parish of St. James

(hereinafter called the "Lands")

for the sum of $10,000.00 cash, and upon the following terms and conditions:

1. (1) Attached to this Offer is the Purchaser's certified cheque, bank draft or money order payable to "The City of Winnipeg" in the amount of $1,500.00, and represents an amount equal to fifteen (15%) percent of the purchase price which the Purchaser tenders by way of deposit, and which sum shall be applied to the purchase price if the sale is approved by the City's Standing Policy Committee on Property and Development and/or City Council (in the event that Council approval is required) and/or its delegated authority, hereinafter called the "Date of Approval". The Purchaser agrees to pay the balance of the purchase price, interest and adjustments on or before the date of closing, possession and adjustments.

   (2) If the Purchaser fails to pay the balance of the purchase monies, interest and adjustments on or before the date of closing, possession and adjustments as in sub-clause (1) above provided, the City may, at its option, cancel the sale and retain the deposit as liquidated damages.

2. (1) The date of closing, possession and adjustments shall be sixty (60) days following the Date of Approval or earlier as mutually agreed to.

   (2) The Purchaser agrees to pay as an adjustment an amount equal to the total of such taxes, rates and charges which would have been levied or charged against the Lands as though the Lands had been entered on the assessment rolls of the City as privately owned and subject to taxation, which adjustment shall be calculated from the date of closing, possession and adjustments to and including the last day of the current taxation year.

   (3) The Purchaser shall pay interest in lawful money of Canada on all monies remaining outstanding and payable to the City as of the date of closing, possession and adjustments, which interest shall be calculated at the rate per annum equivalent to the prime lending rate in force by the City's Banker at the date of adjustments plus one (1%) percent, computed from the date of closing, possession and adjustments to and including the date all such monies and interest as aforesaid have been fully paid to the City.

3. Goods and Services Tax

   (1) The Purchaser agrees to pay to the City all Goods and Services Tax applicable on the sale of the Lands or, if the Purchaser is a registrant under the Goods and Services Tax Legislation, the Purchaser shall advise the City in writing of its registration number. The Goods and Services Tax is to be paid, or the registration number provided, to the City on or before the date of closing, possession and adjustments or the date the balance of monies is paid to the City, whichever is the earlier.

   (2) If the Purchaser fails to pay the Goods and Services Tax or fails to provide his registration number as prescribed in sub-clause (1) of this Clause, the Purchaser agrees that all of the Purchaser's rights and interests in respect of the Lands shall, at the City's sole discretion, be fully ended without notice or any formality and all monies paid to the City by the Purchaser shall be retained by the City free from every claim.

4. The Purchaser will obtain possession of the Lands at the Purchaser's own expense, which includes, without limiting the generality of the foregoing, obtaining his own Surveyor's Building Location Certificates, Surveyor's Staking Certificates and Zoning Memorandum and in connection therewith acknowledges and is aware that the City does not provide Declarations of Possession.

5. The Purchaser acknowledges that in submitting this Offer to Purchase, the Purchaser relies entirely upon personal inspection of the Lands, independent of any representation made by or on behalf of the City of Winnipeg. Any error or discrepancy in the description or in the dimensions of the Lands as contained herein shall not entitle the Purchaser to any compensation in respect thereof nor shall it entitle the Purchaser to the cancellation of this Offer to Purchase.

6. It is agreed that no representation, warranty, collateral agreement or condition affecting this offer or the land is expressed herein. The City does not warrant the quality, condition or sufficiency of the Lands for any use or purpose. The Lands are deemed to be taken by the Purchaser in an "as is" condition and at the Purchaser's own risk and with all faults and imperfections whatsoever. The Purchaser agrees with the City that the application of "Buyer Beware" shall apply to the offer in the strictest meaning.

7. All existing improvements (if any) in or on the said Lands shall remain as part of the freehold.

8. (1) The City is unable to confirm that sewer and water lot-line connections from the services in the street to the lot line exist. The Purchaser must satisfy himself as to their existence and suitability for re-use. Consequently, if new sewer and/or water lot-line connections must be installed, installation and costs of same are to be borne by the Purchaser.

   (2) The Purchaser agrees to repair any damage made to the sodded boulevards abutting the Lands during construction as soon as practicable and maintain same and shall pay the cost thereof and shall also restore the boulevard to its proper grade.

   (3) This property requires new water and sewer connections since both the existing sewer and water lines have been cut off. The 483 Spence Street services may be branched from 481 Spence Street which means the purchaser of 481 Spence Street would need to be aware that the sewer and/or water service of 483 Spence Street may cross their property.

9. The Purchaser will accept Title to the Lands subject to all exceptions, reservations and encumbrances expressed or implied in the City's Title.

10. The Purchaser agrees that in the event the Purchaser, at his sole cost, conducts or causes to be conducted an Environmental Site Assessment and/or soil testing of the Lands, and it is determined as a result thereof that contamination levels exceed Provincial Environmental Standards for the intended use of the Lands, and documentation to that effect is produced to the City within sixty (60) days following the Date of Approval, but in any event, prior to closing, the City, at its sole option, shall be entitled to:

    (1) take remedial action to bring the contamination levels within the Provincial Environmental Standards, **or,**

    (2) cancel the sale and return all monies paid in respect of the proposed sale by the Purchaser to that date.

    AND FURTHER, in the event the Purchaser fails to provide such documentation as aforesaid, the Purchaser hereby agrees to complete the purchase as herein contemplated and to indemnify and save harmless the City from and against any and all claims arising from or in any way attributable to the existence of contaminants of any kind whatsoever at, in, or upon the said Lands.

11. (1) The Purchaser agrees that the sale of the Lands shall be subject to any easement which may be required by a public utility, including, but not limited to Manitoba Hydro, MTS Allstream Inc., Centra Gas Manitoba Inc., or The City of Winnipeg, and/or any of their respective successors and/or other utilities, for the maintenance of existing and future facilites together with the right to enter upon the Lands at any time, with or without equipment for said purposes and subject to the owner covenanting not to erect or cause to be erected upon the easement area any building or structure without the prior written consent of the utility or The City of Winnipeg requiring such easement.

    (2) The Purchaser to enter into agreements satisfactory to the said utilities or The City of Winnipeg.

    (3) Any removal or relocation of a public utility as a result of a proposed subdivision will be at the expense of the Purchaser. Information on electrical and gas service to new subdivisions can be obtained from the local Manitoba Hydro District Office.

    (4) The Purchaser at its own expense shall be responsible to provide any Easement Plan that may be required to effect registration of the Easement Agreement in the Winnipeg Land Titles Office.

    (5) The Purchaser acknowledges that the City may grant the easement before the Transfer of Land issues.

12. No current legal survey was made of the property to determine the nature and extent of any structure thereon or to determine if there are any encroachments from adjoining lands.

13. The City advises that there might be an existing basement in the lands. The removal of any existing concrete or debris and any costs connected therewith will be the responsibility of the Purchaser.

14. The Purchaser is hereby advised that soil conditions in Winnipeg are of the glacial till variety which is composed of Lacustrine Clays with Silt Intrusions. The Purchaser shall be responsible for any increased costs of development due to this random stratification.

15. The sale of the Lands to the Purchaser shall be subject to the provisions of the By-laws of the City of Winnipeg and all amendments thereto. Furthermore, the Purchaser acknowledges and understands that his proposed use and development of the Lands may require applications for re-zoning, variances or conditional uses, amendments to Plan Winnipeg, which applications, resulting land dedication charges (if any) are to be at the sole cost and responsibility of the Purchaser. Nothing in this Offer shall be construed as placing any duty or obligation upon the City to grant such rezoning, variance or conditional use orders and/or amendments to Plan Winnipeg when the Purchaser's application for same is made to the City.

16. The Purchaser agrees that the City may register Caveat/s against the Lands to ensure the performance of the covenants on the part of the Purchaser herein set forth and the Purchaser agrees to grant and does hereby grant to the City an interest in the Lands according to the tenor of this Offer.

17. Upon approval of the sale by the City, the Purchaser agrees to make application to the City Assessor (in form set out in Exhibit "A" attached) to have the Purchaser's name added to the Assessment Roll of the City as the Real Owner in respect of the Lands.

18. Time shall be of the essence of this Offer.

19. The Purchaser will not file any caveat or other encumbrance against the Lands before the transfer of the Lands to the Purchaser.
