REPORT

RECOMMENDATION (S):

1. That By-law No. 1996/78, being a By-law relating to cemeteries, be amended by deleting Schedule "A" of the said By-law, and substituting therefor the Schedule “A” attached hereto for the years 2003 to 2005 inclusive.

2. That this fee schedule come into effect on January 1, 2003.

3. That the Proper Officers of the City do all things necessary to implement this schedule change.

REASON FOR THE REPORT:

The current fees and charges schedule for cemeteries is to be revised on an annual basis and increased automatically by the rate of inflation.

Council approval is required for all increases to fees and charges.

HISTORY:

On December 12, 2001, Council approved By-law No. 7947/2001 regarding the schedule of fees and charges under Cemeteries By-law No. 1996/78.

Council policy dealing with fees and charges states that all fees and charges for the City of Winnipeg be reviewed at least once every three years and, that said fees and charges increase automatically, annually, by the rate of inflation (CPI), unless a review indicates otherwise.

The financial guidelines for the preparation of the 2003 to 2005 Business Plans, provided by the Chief Financial Officer in April 2002, indicate that 2% is to be used as the general inflation factor for the years 2003, 2004, and 2005.

DISCUSSION:

The attached schedule of fees and charges for cemetery services were adjusted by 2% each year and rounded to the nearest 0 or $5.00.
