Report

REASON FOR THE REPORT:

The Planning, Property and Development Department is in receipt of an Offer to Purchase the lands identified as "Subject City Property" on Misc. Plan No. 13173/3. Council approval is required to declare the City property surplus to the City's requirements. Approval by the Standing Policy Committee on Property and Development is required for the proposed terms and conditions of sale.

HISTORY:

The subject City property shown in broken outline on Misc. Plan No. 13173/3 is a former spur track, the rails have been removed and is no longer in use.

Details of the subject City property are as follows:

Location:	East side of King Edward Street, south of 835 King Edward Street
Legal Description:	Lot 2, Plan 33,475
Certificate of Title:	1445152
Roll Number:	07001896000
Assessed Value:	$21,500.00
Zoning:	"M2" - Industrial District
Size:	Irregular (6,122 sq. ft.)

The Planning, Property and Development Department have determined that there is no City requirement for the subject City property shown in broken as outline on Misc. Plan No. 13173/3.

DISCUSSION:

The purchaser advises that the purchase of the subject City property will accommodate future expansion.

The Department supports the proposed sale of the subject City property for the following reasons:

1. The property will be placed on the tax roll at the closing of the sale.
2. The Purchaser will be responsible for all costs related to a Plan of Survey for consolidation of the subject City property with the Purchaser's adjoining lands.
3. The proposed purchase price of $17,000.00 is supported by an internal appraisal.
4. The Ward Councillor has no objections to the sale of the property.

5. The sale will eliminate the liability for the City associated with holding this property.
