STANDING POLICY COMMITTEE ON PROPERTY AND DEVELOPMENT

QUESTION PERIOD

Minute No. 58
In noting that the East End Aboriginal Resource Centre submitted a request on July 9th to request the use of the old Kelvin Community Centre and, inasmuch as preparations were being made for the demolition of that site, Councillor Thomas questioned whether the parties could not reach an agreement or something else had happened. Councillor Swandel stated that he would provide Councillor Thomas with the contact information for the person in the administration who would answer her questions.

Councillor Vandal asked for an update on the status of the Plan Winnipeg Review, noting that the review was about two years overdue. Councillor Swandel indicated that numerous items were approved in last year's budget, with the largest likely being 800,000 dollars in the capital budget for Public Works for an origin destination study to form part of the work. He further indicated that the City was talking with the Province, who usually partner in the Plan Winnipeg processes regarding additional funding so that more can be done to really deliver a document that has a more solid plan as opposed to just a vision.
