ON INFRASTRUCTURE RENEWAL AND PUBLIC WORKS

QUESTION PERIOD

Minute No. 141
Councillor Smith made reference to monies in the current budget for the removal of snow from the boulevards and windrows, noting that at present, they seemed to be very high and wondered when some of the snow might be removed.

Councillor Clement assumed that Councillor Smith was talking about the windrows between the sidewalk and the curb and noted that the removal was included in the budget and it was his understanding that the removal was being done, and further advised that he would look into the matter.
