REASON FOR THE REPORT:

The Planning, Property and Development Department has determined that there is no civic need for the subject City-owned property, shown outlined on the attached Misc. Plan No. 11390/1. Council approval is required to declare the subject property surplus to the City's requirements.

HISTORY:

The subject property was acquired by the City in 1974 for use as a medical clinic facility for Health and Welfare Services. On December 16, 1998, Council adopted a

recommendation approving the transfer of the City's Public Health Nursing Managed Services to the Winnipeg Community and Long Term Care Authority (subsequently referred to as Winnipeg Regional Health Authority "WRHA"), effective December 31, 1998. The property was under lease with WRHA until they vacated the premises in September 2007.

Details of the subject City property are as follows:

Location:	Northwest corner of River Avenue and Bryce Street
Description:	Bi-level medical office building (9,570 square feet)
Legal Description:	SP Lot 28, Plan 27,423 and Lot 1, Block 2, Plan 314
Site Size:	13,271.00 square feet
Zoning:	"RM4" – Multiple Family District

DISCUSSION:

The Planning, Property and Development Department has determined that there is no civic need for the subject City-owned property. In addition, the Department has consulted with the Ward Councillor in regard to the future marketing of this property for sale.

In view of the fact that no civic need has been identified for the subject property, the Planning, Property and Development Department is recommending that the property be declared surplus to the City's requirements and that the property be marketed for sale to the general public.
