That the rule be suspended and the following communication which was received too late to be placed on the regular agenda, be received as information.

From the City Solicitor/Manager of Legal Services,

Submitting communication dated February 14, 2008, advising that Council at its meeting of December 19, 2007 adopted the recommendations of the Standing Policy Committee on Property and Development Report dated November 27, 2007 respecting subdivision and rezoning of 1189 Troy Avenue and 1180 Chamberlain Avenue.

Further advising that due to a technical omission in the Planner's report, the Council approval of December 19, 2007 does not include approval of the plan of subdivision but understands that there will be a Motion at Council's meeting of February 20, 2008 which will add that approval.

Accordingly, the relevant draft by-law to approve a Plan of Subdivision and to amend Zoning By-law No. 6400/94 for the enactment of a zoning change on land located at 1189 Troy Avenue and 1180 Chamberlain Avenue, in the Lord Selkirk-West Kildonan Community, is being submitted for all three readings. Section 1 of the by-law is predicated on Council's anticipated addition of the subdivision approval.
