Report

REASON FOR THE REPORT:

The Soldiers' Taxation Relief Act requires Council to annually approve applications for tax assistance and forward a copy to the Province of Manitoba for reimbursement.

HISTORY:

The Soldiers' Taxation Relief Act provides for a partial exemption from property taxes of an amount not exceeding $50 in each year, for the property of:

- the pensioned surviving spouse of any soldier;
- the pensioned parent of any deceased soldier or of a totally disabled soldier confined in any military hospital for the treatment of mental diseases, or any sanatorium for the treatment of tuberculosis;
- any soldier in receipt of a military pension by reason of being disabled to the extent of at least 75% of total disability; or
- a totally disabled soldier confined in any hospital or in any sanatorium for the treatment of tuberculosis, or in any hospital for the treatment of mental diseases, while so confined therein for not less than a minimum period of three months in any one year.

The exemption is "income tested" and does not apply to the property of any such person who has income from sources other than the pension. The $50 exemption amount has remained unchanged for several years.

DISCUSSION:

The City Treasurer has received 12 applications for relief from taxation for the year 2007 under the provisions of this Act, and is satisfied as to the good faith and merit of the applications. The total amount of the relief granted is $600.00.
